

**DAN SIDE**

**DAN**

*Jumping up from his seat*

It's Harold and the Night Train folks!

*The porters drop their card games and pool cues to greet the newcomers with open arms, ushering them into the club quickly, letting the door slam shut behind them.*

**DAN**

Look at the spankin' new conductor, ladies and gentleman!

JOHN

*Teasing*

Looking *good* Harold!

**DAN**

How are you gonna spend your pay raise?

EZEKIEL

Tell us the story! What's been happening with you since you left Nebraska?

**DAN**

*To the rest of the Night Train crew*

Come on in, everybody, come on in and out of the rain!

*JERRY stumbles inside.*

JERRY

Thank you very much, sir. Okay for me to be in here? I'm just the Pullman driver. I'm not a porter.

**DAN**

*Laughs*

You are more than welcome here at the Pullman Club.

*JERRY steps inside. DAN turns to greet ROSIE and BARNEY.*

**DAN**

Let me take your coat for you. You must be Rosie, Harold's sister-in-law?

ROSIE

That's right. I work in the kitchen on the Night Train.

BARNEY

Pipes up

She's in charge of the kitchen, actually.

DAN

That's impressive, Miss Rosie. I'm Dan. And you, sir?

BARNEY

Barney. Pullman waiter.

DAN

Well come on in, Barney and Rosie. We got music and warm drinks and it's dry inside so come on in. Just let me take your coats.
