

FACTORY PRODUCTION CONTROL

CERTIFICATE

No: CPF-092-2021

In accordance with Government Decision No. 913 of 25.07.2016 on the approval of the Technical Regulation on the minimum requirements for the marketing of construction products, this certificate applies to:

CONCRETE PAVING FLAGS, BLOCKS AND KERB UNITS

Use:

Concrete paving flags and blocks: outside - for road pavements for pedestrian traffic and vehicular traffic, bicycle lanes, parking lots, roads, industrial spaces, gas stations, bus stations.

Concrete kerb units: for the delimitation of paved and asphalted areas.

Manufactured by:

“RADIAL PLUS” S.R.L.,

16/1, Varnița street , Chisinau, Republic of Moldova.

Manufactured at the working point: 16/1, Varnița street , Chisinau, Republic of Moldova.

The products shall be subjected by the manufacturer to initial type tests and to a control of the production process including all the measures necessary to meet and maintain the requirements specified in the reference documents.

Certmatcon has carried out the initial inspection of the production process, evaluated the type test reports and will carry out continuous surveillance of the production process.

This certificate attests to the fulfillment of the provisions regarding the evaluation and verification of the constancy of performance described in Annex ZA of the standards:

SM SR EN 1339:2010/ SM SR EN 1339:2010/AC:2010

SM SR EN 1338:2010/ SM SR EN 1338:2010/AC:2010

SM SR EN 1340:2010/ SM EN 1340:2010/AC:2010

System: 4

This certificate was issued on 18.02.2021 and remains valid until 17.02.2024 as long as the harmonized standard, the construction product, the constancy of performance evaluation methods and production conditions in the factory are not significantly changed.

This certificate may be suspended or withdrawn if it is found that conditions under which it was issued are not maintained.
