Training Completion Certificate

This certificate is proudly presented to all Cohort 1 participants for completing the

Bain Sustainability Academy

powered by the FUTURE Institute for Sustainable Transformation.

The certificate is automatically generated by completion and issued by the FUTURE Institute for Sustainable Transformation at ESMT Berlin.

This certifies the completion of a hybrid online & in-person training including the following content:

- Importance of Sustainability
- Sustainable Business Models
- Sustainability enablers
- Deep Dive: Circularity
- Deep Dive: De-Carbonization
