---

The Meadow Lake Series Awards were created in the 2021 show season to recognize the outstanding participation in our schooling shows by members of our community. Six divisional awards will be presented in 2023, including a champion and a reserve champion for each division.

To be eligible for a series award, each rider must complete two shows on a numerical score. Scratches, eliminations, and withdrawals will not be accepted toward the requirements. A rider may ride any combination of horses or any any amount of divisions to qualify. For example, a rider may enter a mini trial division in the May show and a dressage division in the June show, and they will be qualified to receive a series award in both the mini trial and the dressage divisions.

Champion and reserve champion will be determined first by eligibility (two shows completed on a numerical score) then by best score earned in the division across all levels (lowest score for mini trial and combined test divisions, highest percentage for dressage divisions) throughout the season. All qualified competitor's scores will be eligible in any division they rode in throughout the season.

Junior awards will be given to riders who are under the age of 18 on 12/1/2022, senior awards will be given to riders who are 18 or older on 12/1/2022. Ties will be resolved by averaging each rider's scores throughout the season in the division. If a tie still remains, the rider who rode the most times in the division will win.

Awards will be decided and presented at the final show of the season, in September. Any winners not present will be contacted to pick-up their award.

Awards:

Junior Mini Trial Champion and Reserve Champion  
Senior Mini Trial Champion and Reserve Champion

Junior Combined Test Champion and Reserve Champion  
Senior Combined Test Champion and Reserve Champion

Junior Dressage Champion and Reserve Champion  
Senior Dressage Champion and Reserve Champion
