The space for
unforgettable events in Berlin

SPIELFELD

About Us

Spielfeld is a **climate neutral coworking and event space**, spread out over **3000 m²** and located in the heart of Berlin. Our event venues are perfect **for conferences, presentations, workshops, streaming or networking events**. Meeting rooms are great for productive **brainstorming or design sprints** and include teleconferencing and video tech for online collaboration.

Our charming red brick building is a protected historical landmark from the year 1927 was previously a bank and post office. The newly renovated interior integrates the building's industrial structure with sleek, creative design elements.
