CONFIDENTIAL AND **PROPRIETARY**

Confidential and proprietary information contained in this whitepaper is subject to completion or amendment. This whitepaper shall not constitute an offer to sell or the solicitation of any offer to buy tokens nor shall there be any sale of such tokens in any jurisdiction in which such offer, solicitation or sale would be unlawful. This whitepaper supersedes in its entirety any other prior marketing materials or other communications.

DISCLAIMER REGARDING FORWARD-LOOKING STATEMENTS

Disclaimer regarding forward-looking statements certain information set forth in this white paper contains „Forward-looking information“, including “future oriented financial information” and “financial outlook“, under applicable securities laws (collectively referred to herein as forward-looking statements). Except for statements of historical fact, information contained herein constitutes forward-looking statements and includes, but is not limited to, the:

- (i) projected financial performance of the token;**
- (ii) completion of, and the use of proceeds from the potential sale of securities;**
- (i) the expected development of the organization, projects and joint ventures;**
- (iv) execution of the founder’s vision and growth strategy;**
- (v) completion of the organization’s projects that are currently underway, in development or otherwise under consideration;**
- (vi) and future liquidity, working capital, and capital requirements.**

Forward-looking statements are provided to allow potential investors the opportunity to understand core team’s beliefs and opinions in respect of the future so that they may use such beliefs and opinions as one factor in evaluating an investment. These statements are not guarantees of future performance and undue reliance should not be placed on them. Such forward-looking statements necessarily involve known and unknown risks and uncertainties, which may cause actual performance and financial results in future periods to differ materially from any projections of future performance or result expressed or implied by such forward-looking statements. Although forward-looking statements contained in this white paper are based upon what core team of the organization believe are reasonable assumptions, there can be no assurance that forward-looking statements will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. The individuals responsible for creating the token and platform(s) undertake no obligation to update forward-looking statements if circumstances or core teams estimates or opinions should change except as required by applicable securities laws. The reader is cautioned not to place undue reliance on forward-looking statements

IDEOLOGY

DEVIA8

Devia8 pronounced as de-vi-ate, is another term for deviate, meaning (to change or become different from what is normal or expected).

In the current day scenario people are exploited by certain entities over access to their own hard earned money, our motive behind devia8 was to make people's life easier with the transition of traditional ways of storing/ managing money centrally to being in power of their own finances.

Devia8 aims to bridge the gap between CeFi & DeFi by providing a set of tools necessary for your success in DeFi. Devia8 is your gateway to DeFi

ABOUT DEVIA8

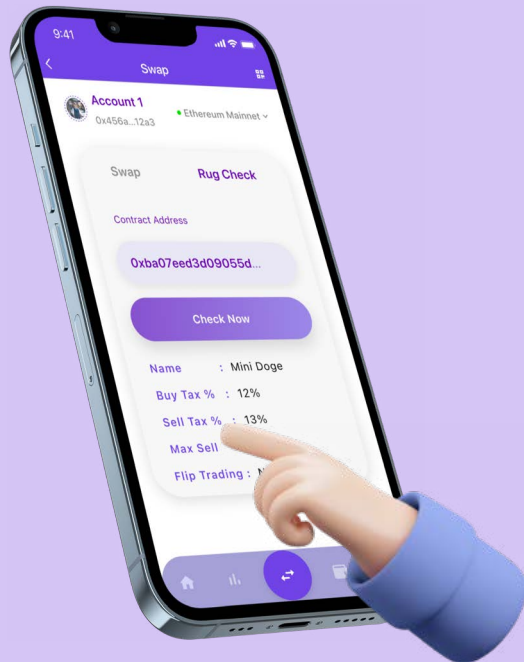

Devia8 offers various features: **realtime audit, defi portfolio tracker, farm and stake** where you can easily generate a **passive income**. Your tokens are safe with us thanks to the **highest security** standards. Keys and passwords are generated and stored locally, so only you can access your wallets & not even us. The tokenomics were also very well thought out to provide both utility & stability while maintaining the ecosystem development & growth. The liquidity will be locked pink sale for more trust and transparency. An **anti-bot system** was also integrated for giving a fair advantage to all investors at our public launch.
