

Looking for a firm whose ideals aligns with yours? We're Hiring!

We are a dynamic team of creatives who value individual contributions and team-based collaboration. At Abramson Architects, we inspire and support our clients and enable each other. With skill and empathy, we help our clients make complex decisions at every project step. We foster positive work-life balance within a hybrid work environment.

We are currently searching for a next-level Designer to work with a team on various exciting projects.

For this position, we require a Bachelor/Master's Degree in Architecture and 2-3 years of fulltime employment within an architectural office. Potential Designers should also be fluent in Revit and possess an understanding of what it takes to create quality construction documents. The selected candidate will receive mentorship and training from the senior staff and practice leadership group, as needed. Additional requirements include the ability to:

- Collaborate with peers, senior staff, firm leadership, and trade partner representatives
- Understand creative direction and bring your own strong design sensibilities
- Take design drawings into construction documents
- (with guidance by the project manager)
- Integrate technical knowledge and code compliance into a fully coordinated set of drawings, for both City permitting, bid, and construction documentation
- Must know Revit
- Must have an eligible working status.

Please submit an email with your resume, design portfolio, and a brief cover letter to careers@abramsonarchitects.com. Be sure to include "Designer" in the subject line.

As part of our commitment to equitable personal and professional development, we focus on supporting your goals, creating balance, and promoting wellness:
