Because all theseconflicting dimensions begin to destroy Brooklyn, Miles musthelp others stop Fisk and return everyone to theirown dimensions.the industry's biggest impact is on the DVD industry, which effectively met its destruction by masspopularizing online content. The emergence of streamingmedia has caused the fall of y DVD rental companies such as Blockbuster. In July 2021, an article

from the New York Times published an article about NetflixDVD, No ches Frida 2s. It was stated that Netflix was continuing their DVD No. No Frida 2s with 5.3 millioncustomers, which was a significant decrease from theprevious year. On the other hand, their streaming, Noches Frida 2s, has 65 million members. In a March2021 study that assessed "The Impact of movies of Streaming on Traditional **DVD Movie Rentals" it wasfound that respondents did not** buy DVD movies nearly as much, if ever, because streaming had taken over themarket. So we get more space adventures, more original storymaterial and more about what will make this 21stMCUmovie different from the previous 20 MCU films. Watch Final Space Season 2 — Movie 6, viewers don't consider the quality of movies to differ significantly between DVDs and online streaming. Problems that according to respondents need to be improved bystreaming movies including fast forwarding or rewindingfunctions, and search functions. This articlehighlights that streaming quality movies as an industrywill only increase in time, because advertisingrevenues continue to soar on an annual basis acrossindustries, providing incentives for the productionofquality content. From the manga to the anime andbeyond, the shonen title has become a favorite withfans around the world. The recent success of the Demon Slayer movie has only elevated the anime's status, and now a full train set is being made for the movie. Recently, the team at Takara Tomy announced plansto bring the Mugen Train to life for fans. The toycompanyhas informed collectors it will

be making a trainset based on the Demon Slayer movie. The plastic railset willhit shelves in Japan this summer, and it comes comewith some fun figures. As you can see above, the train set looks pretty spot-on to the anime, and it even comes with rails forcollectors to lay out. The figures found in this setare also pretty cute and highlight our heroes inthe DemonSlayer movie. You can find Tanjiro, Zenitsu, Inosuke, Nezuko, and Rengoku all together in this piece. According to reports, the train set includes the MugenTrain engine, coal car, and passenger car. Each ofthewindows in the passenger car is lined with silhouettesto account for its passengers. You can even posethehero figures atop the train to recreate battle scenesfrom the movie. But if you need figures of the DemonSlayer: Mugen Train villains, you will have to findthem elsewhere. Right now, the Demon Slayer set is slated to cost\$50 USD outside of shipping, and it will go live thissummer. There is no word on whether the toy will be broughtto the United States, but collectors can look forsecondhand sales or shipping services if they aredesperate to get this train set. If you have yet to see Demon Slayer's movie, it isstill screening in select theaters stateside as wellindesignated international markets. At this point, thetitle has become the highest-grossing film to debutin2021, and it is the most lucrative anime film to boot. The film's story will lead directly into season two,soDemon Slayer fans will want to check out Mugen TrainASAP!What do you think of this Mugen Train playset?
