About The Event

Mozart for Munchkins creates a relaxed, interactive and engaging environment where children and their families can experience and enjoy the wonders of classical music with a hint of jazz and bluegrass. Children of all ages are welcome to observe, explore, discover, crawl, sing and dance to their hearts' content, while parents, grandparents, and caregivers sit back, relax and enjoy the concert. While our concert setting is informal, the programming remains first rate; from Bach to Bernstein, Beethoven to bluegrass and Tchaikovsky to Thelonious Monk, Mozart for Munchkins features outstanding repertoire performed by world-class musicians - an unforgettable experience for the whole family!
