**** ONGOING SCHOOL ETIQUETTE ****

Independent school notifications go out tomorrow!

It is important to refrain from talking about the school your child will be attending in September.

Children of this age have a limited sense of time and can become anxious and confused about when they will attend a new school.

We want the children to feel comfortable and enjoy the last few months of this school year!

Please be considerate of the other families and do not talk about your child's results.

Contracts for Returning Families

Re-enrollment contracts have been sent out via an email from **SchoolAdmin**.

If you have any questions about the program for next year, please do not hesitate to contact Patti or Fiona. Thank you!
