QUICK VIEW

As organizations become less strictly compartmentalized, the ability to work in teams is becoming more of a skill in its own right. And it's a skill that can be consciously developed.

This course will help you to do that by looking at how to work towards similar goals, harness differences, manage conflicts and work better together remotely.

FOLLOW THE PATH

- 1 Foster cooperation
- 2 Share a vision
- 3 Cooperate across generations
- 4 Deal with conflict
- 5 Cooperate remotely
- 6 Put it into practice
