

GTH/architects are looking for an experienced architect or technician to join our team in London.

We are an award-winning, design-driven practice with an exciting range of projects.

We are looking for a talented, motivated individual who shares our enthusiasm for sustainable, people centred buildings and places.

The successful candidate will have at least five years post qualification experience and be able to demonstrate a strong track record of working on projects through all RIBA work stages, with particular emphasis on successful technical delivery of projects in RIBA Stage 4 onwards.

We are interested in meeting architects with the following attributes:

- A genuinely collaborative approach to working as part of a team
- Excellent verbal presentation skills
- Strong written communication skills
- Ability to form good relationships with clients, consultants and contractors
- Flexibility, nimbleness and a willingness to pitch in when needs must
- Open mindedness, enthusiasm and a sense of humour
- Critical thinking and conceptual rigour
- A positive, flexible work ethic
- A comprehensive understanding of UK planning, Building Regulations and regulatory frameworks
- Experience in the production of planning, tender and working drawings packages
- Demonstrable thorough knowledge of Revit
- Ability to draw by hand

What you can expect from us:

- An open and refreshing attitude that offers real potential for you to make an impact
- A friendly and flexible working environment in London Bridge, with an option for working from home possible, where your contribution will be genuinely encouraged and valued
- A team that has a vibrant mix of youth and experience – the perfect place to develop your professional, design and technical skills whilst working on a variety of challenging projects
- An expectation that outside of project commitments you will be able to grow your expertise in key areas - eg. Off-Site Construction, Sustainable Design or BIM/Virtual Construction
- Real responsibility and an opportunity to progress and challenge yourself
- Salary commensurate with experience and London weighting.
- Current projects include major residential, commercial and education works, varying in size from commercial fitouts of £500k to 200-unit housing schemes

If you are looking for an exciting opportunity to work in a small practice and to play a meaningful role in the delivery of significant projects, we want to hear from you.

Please apply with your CV, a covering letter and a concise portfolio showing your best work. These documents should be attached as PDFs, without links using the 'apply for job' button below.

GTH/architects are an equal opportunities employer.

Please note we will only be able to respond to successful applicants.
