What are you hauling? WE CAN HELP.

WHO WE ARE

At Perdue, we know logistics. For decades, we've been moving freight for our customers and growers. And now we're expanding our footprint and sharing our expertise to handle your shipping needs. Our team of top-notch logistics pros will work to find you affordable solutions, broker partnerships with reliable carriers, and schedule just-in-time deliveries. We'll get to know you and your business so we can help increase efficiency and lower cost for all your logistics needs. We have long-standing relationships with carriers that make it possible for us to provide reliable, consistent carrier capacity to ease the burden of shippers nationwide.

We are committed to excellence, transparency, and continuous improvement. No matter what you need to put on the truck, we're here to help make it happen.
