SIZE MATTERS NOT!

He's cute, he's green, and he will form quite an attachment to you! Grab your scissors and some glue to make your very own force-sensitive foundling! But be mindful of the living force because, this inquisitive infant is full of emotion. Grogu can be happy, sad or downright grumpy! Fear is the path to the dark side, so embrace your crafty side instead!

1
Carefully cut out the front piece with scissors.

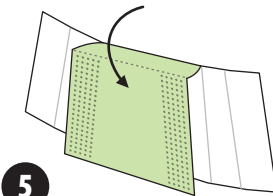

2
Fold the shape on all the dashed lines to create creases, then flatten out again.

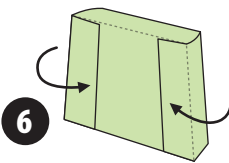

3
Using a glue stick, apply glue on these dotted areas.

4
Pick the piece up and turn it over to its blank side. You should be able to see the crease indentions from step 2.

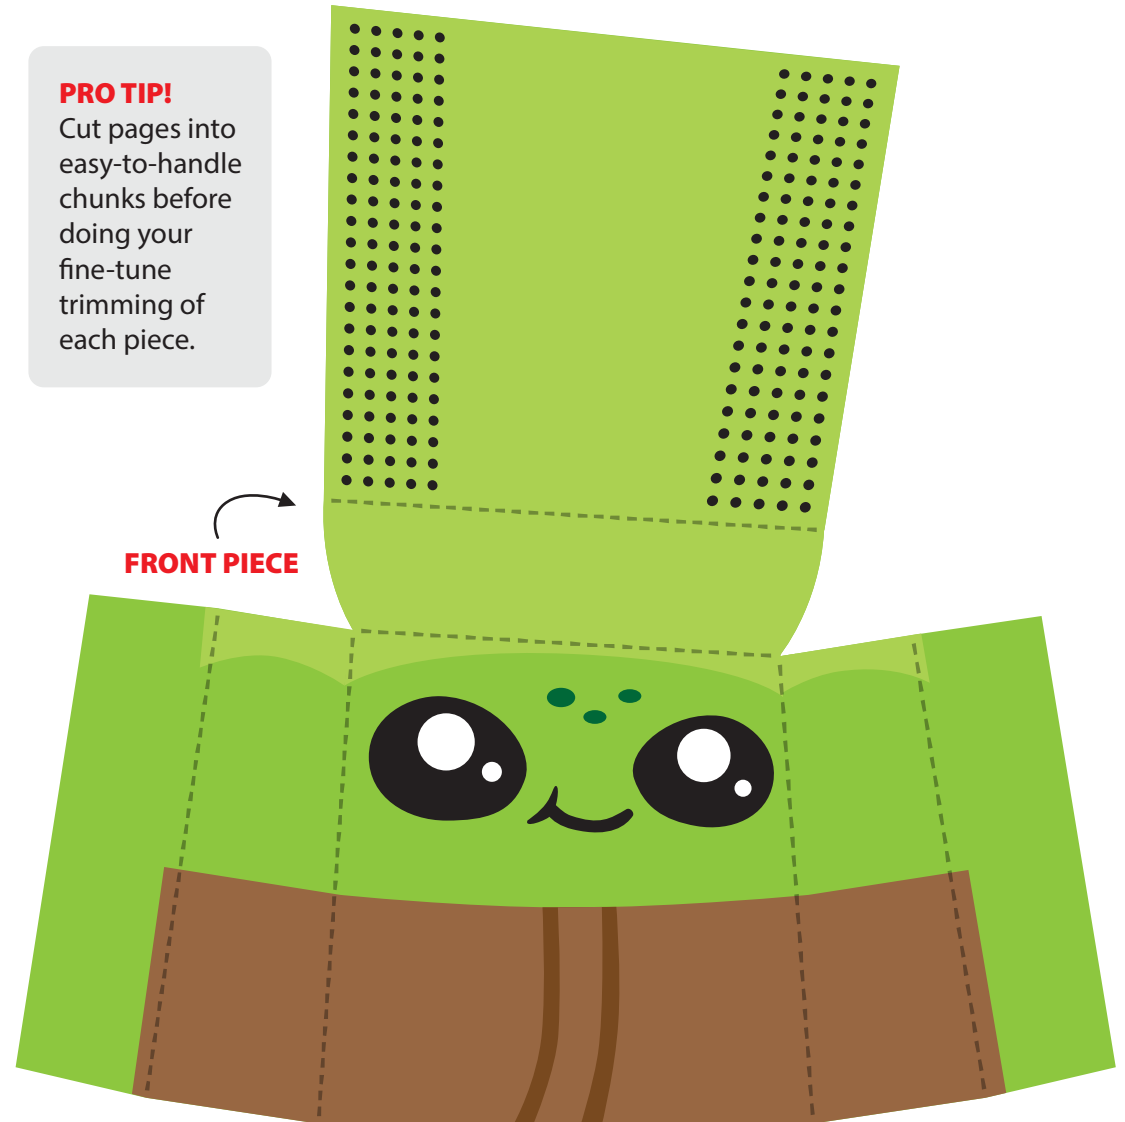

5
Fold over the center panel along your pre-made creases.

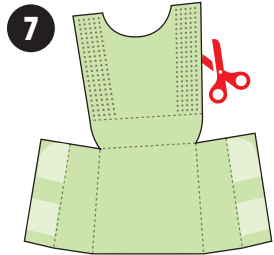

6
Fold over the side flaps and affix to glued areas, being mindful not to crush the boxy shape of the front piece.

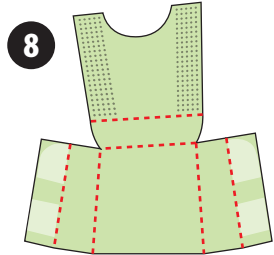

PRO TIP!

Cut pages into easy-to-handle chunks before doing your fine-tune trimming of each piece.

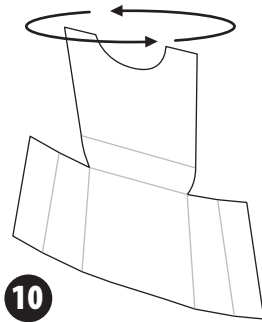

Carefully cut out the back piece with scissors.

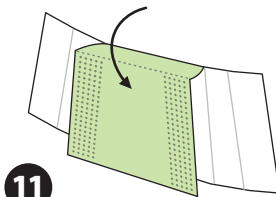

Fold the shape on all the dashed lines to create creases, then flatten out again.

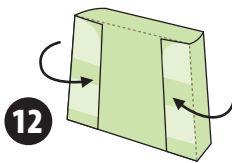

Using a glue stick, apply glue on these dotted areas.

Pick the piece up and turn it over to its blank side. You should be able to see the crease indentions from step 8.

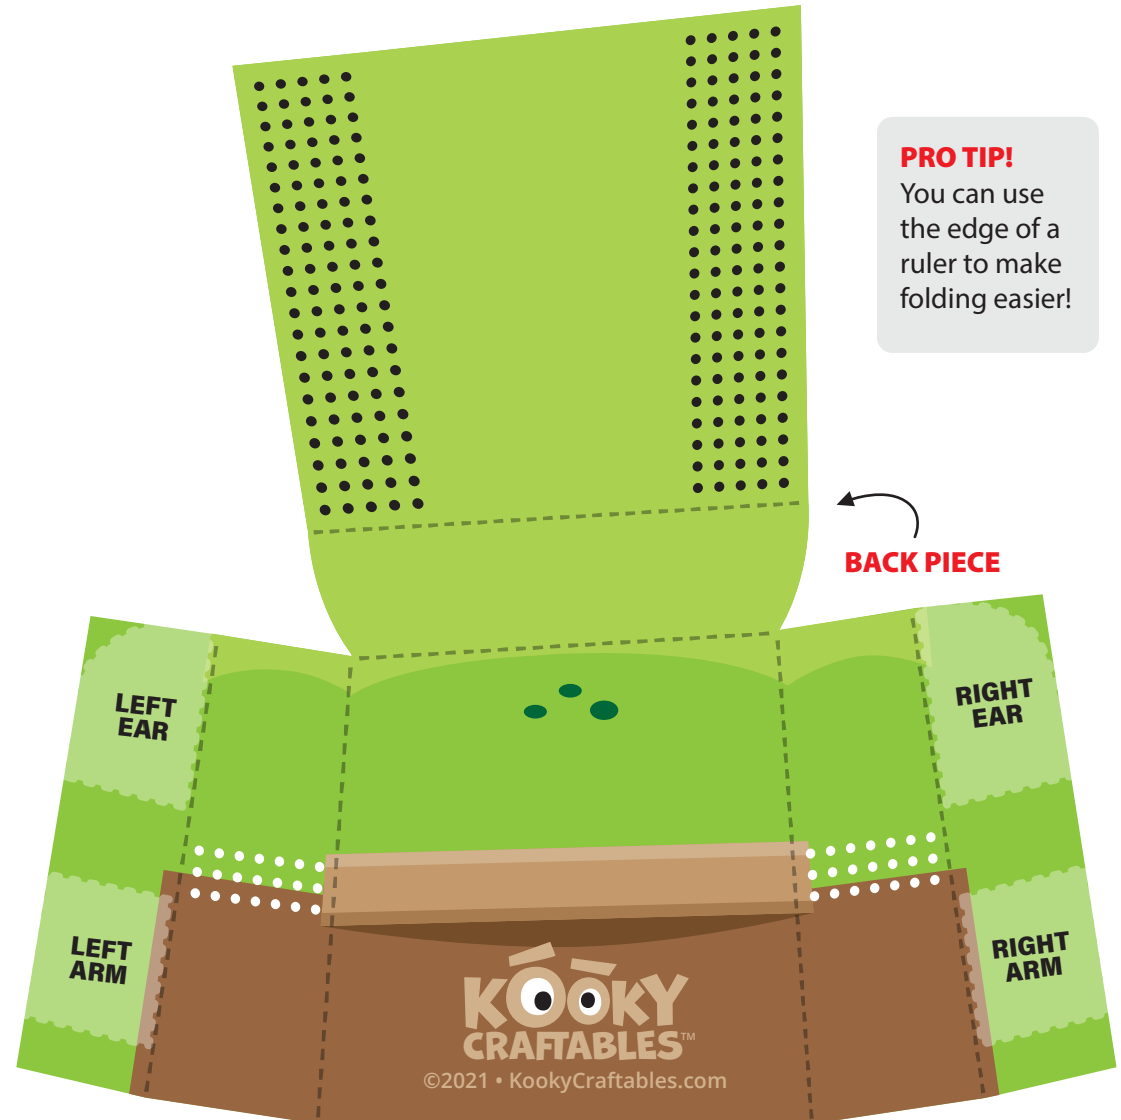

Fold over the center panel along your pre-made creases.

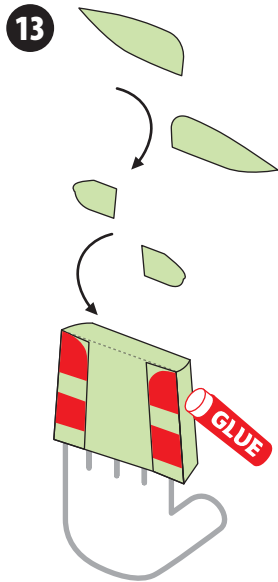

Fold over the side flaps and affix to glued areas, being mindful not to crush the boxy shape of the front piece.

PRO TIP!

You can use the edge of a ruler to make folding easier!

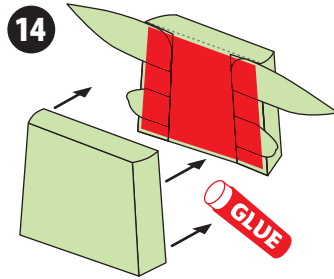

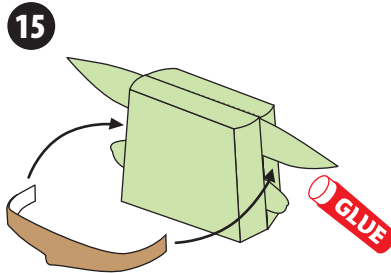

The BACK PIECE has labels showing you where to glue the accent pieces in place. Just use the words to match things up like a puzzle.

PRO TIP!

You can slide the back piece over your hand like a mitten to make gluing easier!

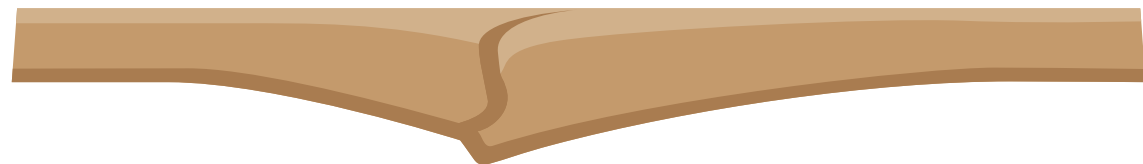

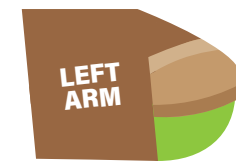

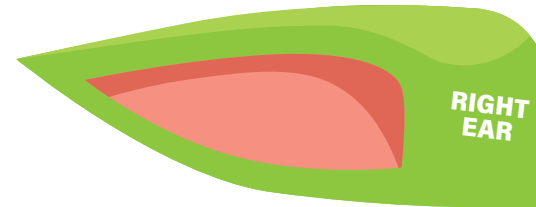

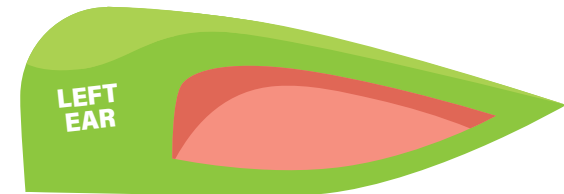

Add glue to the interior sides of the front and back pieces and "sandwich" them together.

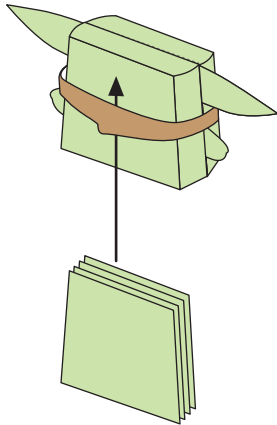

The final step is to add glue to the collar piece and glue in place so it wraps around the front of the of the paper craft to form your completed Kooky Craftables masterpiece!
