About Us

WHO WE ARE

The Community Foundation of South Puget Sound is a catalyst for charitable giving in Lewis, Mason, and Thurston Counties. For 30+ years, we've helped make local giving more effective across the South Puget Sound.

As a trusted partner with deep roots, strong community ties, and a passion for local philanthropy, we exist to help donors make a difference today and build community resources for the future. Since our founding in 1989, we have had the privilege to award over $21 million in grants and scholarships to support local students and projects contributing to our region's resilience and long-term stability.

GOLF CLASSIC

This beloved annual event is a time for us to engage with our community and have fun! Sponsorship in the Golf Classic directly sustains the Foundation's work throughout our tri-county region and inspires local philanthropy; hence this year's theme- 'Driving Change,' which reflects the Community Foundation's commitment to mobilizing resources and working towards important causes and issues in our communities!
