

## MORGAN SCOTT MANAGEMENT CONSULTANTS, LLC

### CAPABILITY STATEMENT

#### OVERALL PROFILE

Founded in 2008, Morgan Scott Management Consultant, LLC (MSMC) is a privately owned for-profit management consulting business and is a Limited Liability Company. Business consultation is concentrated primarily in the service industries focusing on Local, State, and Federal governmental products and services. MSMC offers services to corporate and non-profit organizations. We Develop Human Capital, Improve Financial Capital, and Strengthen Organizational Structures.

#### WORK BACKGROUND

Our business consultation is a resource in the service industries in the local, state, federal, and international spheres. We have been able to produce dynamic results in each sphere. We provide business plans, organizational analysis, and tax products. Our repertoire includes assisting start-ups, Strategy Development, Leadership Development, Diversity, Equality and Inclusion Training, Expansion Advisement, and Organizational Structuring and Efficiency. Receive results-oriented, high-quality professional services now.
