Has your counseling program lost faculty (retirement or resignation) in the past 12 months?

- Yes
- No

Have these positions been filled or will they be filled in the next 12 months?

- Yes
- No
Does your program anticipate any new faculty positions being added in the next 12 months?

- Yes
- No

How is your accredited program(s) primarily delivered?

- at a campus location
- on a digital platform

Do you have a residency/in-person requirement?

- Yes
- No

Do you support a residency/in-person requirement for all programs regardless of program primary delivery method?

- Yes
- No

5. Please provide a rationale for your response

We will increase financial barriers for students who wish to earn a master's degree in counseling online. Further, there is technology that allows faculty to know students, witness individual and group counseling skills, provide close advising, etc.

Please provide a name and contact email address of the person completing this survey. This address will be used if the CACREP office has any questions about the information provided in this survey.

Julaine Field jfield@pennwest.edu

Final comments? Please share them below:

Edinboro University is currently in a "teach out" process with CACREP. The data in this report reflects January 1, 2022 - June 30, 2022. Our institution merged with two other institutions on July 1, 2022. A substantive change report was submitted to CACREP and approved regarding this merger. We are in the process of preparing a new CACREP Self-Study as a new institution (Pennsylvania Western University).
REMINDER: Programs/Student Outcomes must be made publicly available on your program's website. The information to be posted includes the following four data points regarding each of your accredited specialty areas: (a) number of graduates in the past year, (b) completion rate, (c) licensure or certification examination pass rate, and (d) job placement rate of students/graduates. Posting a URL link to your completed Vital Statistics Survey report will satisfy this requirement.

Once this data has been posted, send the URL link to the location on your website via email to cacrep@cacrep.org. If your program submitted a Vital Statistics Survey last year and you have previously posted program outcomes on the program website, you need to update your program outcomes report to reflect the most current data. If the URL link to the outcomes report changes when you update this information, you need to send a copy of the new URL link via email to cacrep@cacrep.org.

You will NOT have an opportunity to receive a copy of your completed survey later. If you want a copy of your completed report, please ensure that you click the arrow at the bottom of the page and download the PDF.
