### WHAT IS CANNUMI?

We are building an ecosystem to support the development and promotion of the Cannabis sector using blockchain technology, including NFT. We want to reduce censorship, increase access to the availability of reliable information, and facilitate the acquisition of funding for more cannabis innovators. Soon you can be one of them!

# WHY WE BELIEVE IN THE SUCCESS OF OUR PROJECT?

Cause we got it going on! Just like Snoop.

**+800%**

According to the analysis by European institutions, the hemp market is expected to reach a value of **$3.2 billion** over several years, with the current level **$403 million**. That gives almost **800% growth**!

**+600%**

The blockchain industry, which is valued at **$5.4 billion** by 2021, is projected should reach **$34 billion** and thus increase by over **600% in 5 years**.

**+2100%**

In the first quarter of 2021, NFT transaction volume exceeded **$2 billion**. That represents an increase of **2100%** compared to 2020!
