

# LOAD IN & OUT TEAM

## **How I Make a Difference: I am helping transform a life today.**

When JFK visited NASA in the 60's he saw a custodian in the halls and asked what he did there. The man replied, "I'm helping to get a man to the moon". Every team member is a part of transforming lives here at Grow. So, if you're asked what you do at Grow...you can answer, "I am helping transform a life today"
