

Biathlon Canada Summary of Discipline and Complaints Decisions

The following is a list of individuals who have been suspended, expelled or have had their participation in Biathlon Canada activities otherwise restricted under Biathlon Canada's Discipline and Complaints Policy or through the Office of the Sport Integrity Commissioner (OSIC). This list includes members who have been sanctioned and are currently ineligible to be involved in sport. The list is not a historical record of current or past members who have been suspended or expelled in the past, rather it is a list of current or past members who are currently serving sanctions from membership since July, 2023. When a suspension has been served and any additional required measures have been fulfilled, the member will be removed from the list two years after the last requirement of their sanction is completed.
