

# One Light Pendant Fixture with Loop Rings Black and Satin Nickel

Detailed spec sheet for item AL10028P1

Trapezio

## PRODUCT DESCRIPTION

The Trapezio modern pendant features four interlocking rings with a medium based socket in the middle. Perfect for use with a st19 Edison filament or Edison LED bulb (40 watts max, not included). The round canopy, rod, and socket are finished in black. The adjustable height rod makes it ideal for use over kitchen islands, sinks, tables, and more. Suitable for commercial and residential installations. Use multiple pendants to cover a larger area. Dimmable when used with dimmable bulbs and compatible dimmer. ETL Listed for safety and quality.
