Welcome to the Annual Orthospinology Symposium - an extraordinary convergence of expertise, innovation, and community. Join us for a multi-disciplinary exploration, where diverse techniques and disciplines converge to illuminate the intricacies of craniocervical specialization, with a focal point on the transformative Orthospinology Procedure. From navigating complex cases to staying abreast of the latest research and practice management strategies, this symposium promises to enrich your professional journey. Embrace the synergy of research, technique, philosophy, and camaraderie, as we equip you with the tools to elevate your practice to unparalleled heights. The Symposium will be approved for 12 continuing education hours in most states.
