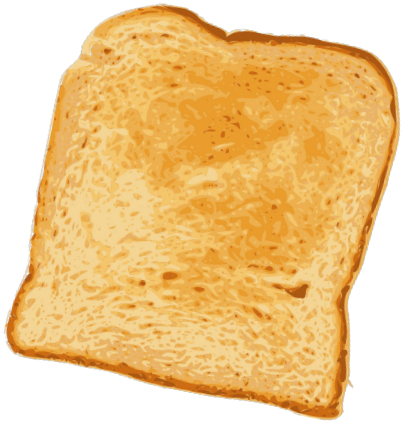
How to make a toast

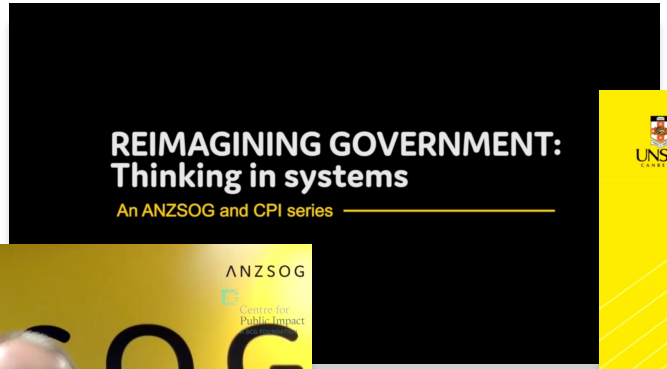
Meet
Municipalities for an Equitable Transformation in Europe

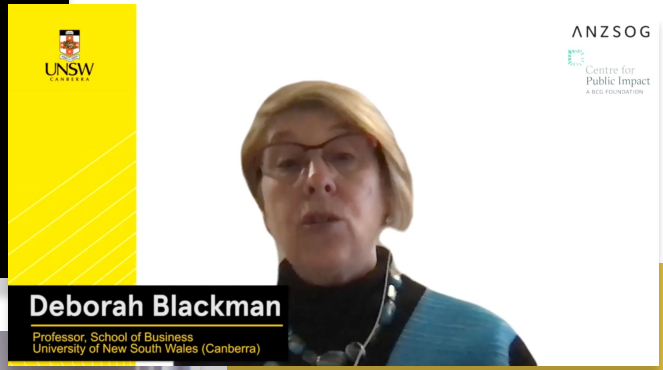
Goal/purpose
Nodes and connections
Boundaries
Dynamic feedback
Different perspectives
Time
Don't forget people!

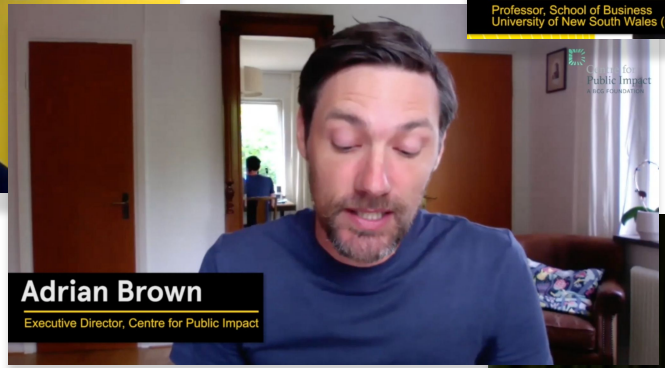


How to make a toast

Meet
Municipalities for an Equitable Transformation in Europe

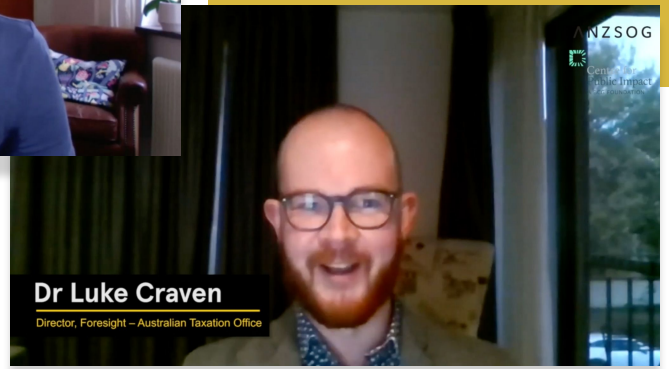






CONCEPT #5

We need different styles of thinking for different problems



Reimagining government

Our cut: https://youtu.be/Mf5lirTS7Po

Meet
Municipalities for an Equitable Transformation in Europe

Butterfly moment

Meet
Municipalities for an Equitable Transformation in Europe

#1 - Reimagining Governance
#2 - Complicated & Complex (Cynefin)
#3 - Is the interconnections that create the change you want
#4 - No a binary choice
#5 - We need different styles of thinking for different problems
#6 - Get out of the silos
#7 - Experimental approach
#8 - Iterative improvement
#9 - Do not copy and paste (no best or good practices - Cynefin)
#10 - Not landing where you planned to land is actually ok
#11 - We want differences we want diversity
#12 - There are many other democratic mechanisms ...

Reimagining government

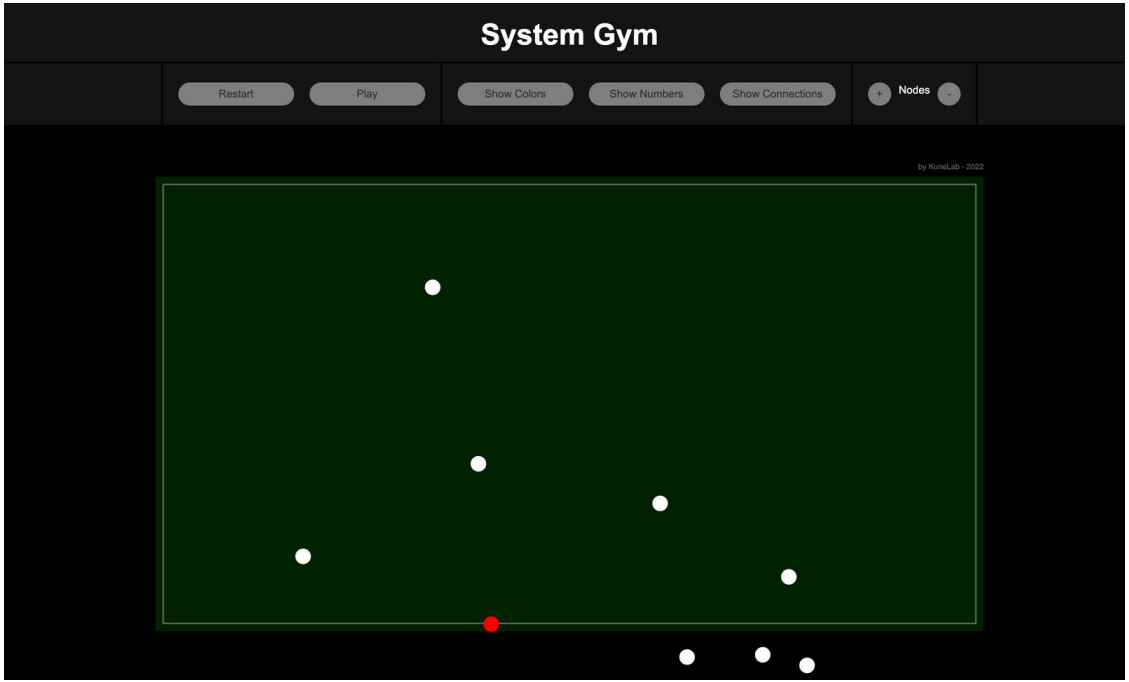
Meet
Municipalities for an Equitable Transformation in Europe

Let's talk about

What can I already see in my community?
What is certainly missing?

Meet
Municipalities for an Equitable Transformation in Europe



Let's play together

This system works by following two simple rules, will you be able to find out which ones? Can you take control of it?

Meet
Municipalities for an Equitable Transformation in Europe

The Program

DAY 2

- 10:00 - Good morning energizer
- 10:05 - Opening of the day, recalling yesterday and key concepts
- 10:15 - Your systemic story + Q&A
- 10:30 - Your systemic story + Q&A
- 10:45 - Cynefin Lab
- 11:45 - Break
- 12:00 - Causal diagram case study (Valsamoggia on recycling plastic waste)
- 12:20 - Causal Diagram Lab
- 12:35 - Feedback questionnaire
- 12:45 - Q&A Closing and Goodby
- 13:00 - End Activities
