ICM JUNE 2022 NEWSLETTER

The first 6 months of the year has proven to be a very successful time for the ICM, Registered Colleges as well as for all the learners who registered for the First Semester.

Great results were achieved by all Learners who wrote their assessments on the 4th of June 2022, due to their hard work, the many hours put in and the excellent facilitation contributed by their facilitators, so thank you to all.

The introduction of Lancaster Publishing House and the standardisation of the material for all learners across the colleges countrywide has also been a great success. All learners have had the same material to study and be assessed upon.

This is a first in South Africa for Credit Management Learners and has been requested previously, we now have the standardisation in place, South African learning for South Africans.

Further great news:

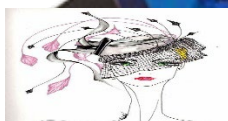

Now that Covid-19 is giving us some respite, The Institute of Credit Management is pleased to Announce that we shall once again be hosting our National Gala Awards on the 20th of Oct 2022; theme: Fantasia Masked Ball, at Summer Place Boksburg.

The Institute of Credit Management shall be recognising the Institute's "Top Learner of the Year", "Credit Executive of the Year", "Credit Manager of the Year" and Bursaries shall be awarded.

We look forward to this being a well-attended event with all our Learners attending, supported by their colleagues, line managers and families.

Learning is life long and does not stop once one exits school.

See you all at the Ball. Yours in Credit.
