

IN THESE EXTRAORDINARY TIMES GREENWAYS IS AN EXTRAORDINARY VILLAGE

In these uncertain times, there's no need to feel alone. Now more than ever is a great time to join our community at Greenways Retirement Village.

Residents at Greenways have always felt their village was unique. A beautiful, landscaped oasis in the heart of Seaford. A thriving, social, welcoming and supportive community. A real sense of security. First class facilities. Affordable living options and low ongoing maintenance charge for peace of mind. Incredible staff to support their every need. And private owners with a genuine and active interest in exceeding resident expectations for over 40 years.

With the recent challenging events, Greenways residents now know their village is unique, and extraordinary.

At Greenways, our residents continue to enjoy the benefits of living in a vibrant and happy retirement community among friends. They feel connected, safe, secure, supported and independent.

But don't take it from us. See what our happy residents have to say! "You made us safe in ways we would not have thought of", says Anne Glassborow, who recently moved to Greenways.

Brian Casey, president of the Greenways Residents' Committee, agrees: "A mere thank you is totally insufficient to portray our gratitude to all the staff here at Greenways. Your happy, selfless, dedicated and professional support for residents is second to none." Merle, a resident for over 8 years, sums up her feelings: "How glad am I that I moved to Greenways!". And the feedback from Ian, a resident since 2011, and his family, is greatly appreciated: "You are heroes. All of you ... Thank you". It's no surprise that Greenways received 100% satisfaction from residents in its previous resident survey. We're confident that feeling has been reinforced during the current challenges. And we'll do everything we can to ensure Greenways' incredible community spirit and unique culture thrives well and truly beyond.

We invite you to arrange a private village tour by appointment to meet our fabulous staff and residents, and view our homes. Alternatively, with current restrictions, you may prefer to receive a comprehensive information pack by mail and we can answer any questions you may have over the phone. Please call Sandra (on (03) 9786 8679 or 0433 883 228) at any time to arrange. We'll do what suits you.

Newly refurbished apartments start from \$267,500. One bedroom villa units from \$333,000, 2 bedroom villas from \$397,500 and 3 bedroom villas from \$539,250. Availability is limited.

We look forward to welcoming you to Greenways.

Greenways Village is at 330 Frankston-Dandenong Road, Seaford.
