

DONE IS BETTER THAN PERFECT

Embracing Imperfection for Success

PERFECTIONISM IS A BARRIER

It can hinder success by causing delays and burnout.

ANALYSIS PARALYSIS

Individuals struggle to finish tasks because they analyse every detail to ensure it's perfect.

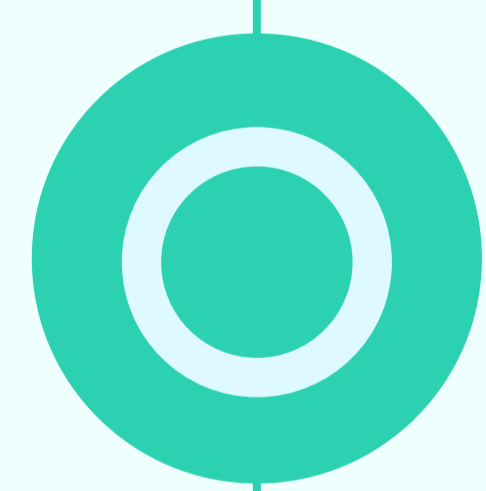

THE BEZOS 70% RULE

Make decisions once you have 70 per cent of the information you're looking for.

Shifting your mindset to focus on getting things done will help you move forward with your work and improve results in the long run.

Seek out feedback and embrace it.
