

# How to Have Influence and Impact

To have influence and impact in the workplace, you must:

Be an  
expert in  
your area

Celebrate  
the success  
of others

Become  
a great  
listener

Have a great  
understanding  
of how your  
organization  
operates

Always be  
authentic, all  
of the time,  
with everyone
