Acting Head of School: Mrs Helen Owen

Dear Children,

Come to school for red nose day, Friday 15th March, and replace one or more items of uniform with something red. Whether you have one red item or are head to toe red, together we will be having a most awesome Comic Relief Friday.

You have 2 weeks to choose and prepare your best joke (must be school suitable). The stage will be up, your class mates will be cheering you on and the light will be on you.

Are you a future stand up star? Today is the day to shine ⭐

I wonder which teachers will also be taking to the stage . . .

Note: peforming is optional 😊so don't worry if this is not your thing.

Further note: We will not be collecting donations in school so Parents/Carers have the opportunity to donate in a way that best suits them.

💜This event has been planned by school council💜
