

The North Utica Senior Citizens Community Center welcomes you to the annual George M. Penree III Memorial Golf Tournament. It is an honor for the center to host this tournament in George's Memory. George served as president of the Center's Board for 16 years from 2001 to 2016. He lived by the Rotary motto "Service Above Self" and truly dedicated his life to community service. Over the years his volunteer efforts were many, but it was a direct result of his hard work and commitment to the Center that resulted in the state-of-the-art facility that seniors and children of the greater Utica area enjoy each and every day. As many of you know, George co-chaired the center's annual golf tournament for the past eleven years. He loved golf, the Stonebridge, and the Center. We feel that this tournament is the perfect tribute to a remarkable man. We know George's Irish eyes will be smiling as he looks down on his friends and family enjoying a fun-filled day on the course in his memory.

*May the fairway rise to
meet you.*

*May the wind be
always at your back.*

*May you birdie, eagle
and ace.*

*May your putt fall
straight into the cup.*

*And until we golf
again, may you miss
all the sand traps and
hazards of life.*

IRISH GOLF PRAYER

About the North Utica Senior Citizens Community Center

Since 1971, The North Utica Senior Citizens Community Center has provided programs and services to seniors in the Mohawk Valley. In 1998 the center ventured into children's programming and quickly became a state and national pilot for intergenerational programming. In 2004, the center relocated to a brand new state of the art facility on Riverside Drive. The new building, on 3.5 acres of land, has allowed the center to expand programs, offer new services, increase child care capacity, and provide the community at large a safe place to hold special events throughout the year. In 2013, the center added a state of the art fitness center boasting over 30 commercial workout machines and a full slate of classes designed to keep participants healthy and fit.

The North Utica Senior Citizens Community Center is a true community gem, and the center's board of directors diligently works to not just maintain that status, but improve upon it. Your participation in, and sponsorship of, the tournament will help the center in overcoming obstacles and challenges we face in our efforts to meet the needs of an aging and ever changing community.

Please give generously.

We sincerely appreciate your support.
