HYPERICUM

Hypericum calycinum ‘Brigadoon’

St. John’s Wart

Fast growing, shrub-like groundcover with bright chartreuse, oval leaves that turn almost orange in the sun-light. The plant forms almost woody stems.

Large, golden flowers with showy orange stamens bloom in late spring.

Zone: 6a H: 16” W: 24”
H:40cm W:60cm

Hypericum calycinum ‘Fiesta’

St. John’s Wart

Bushy groundcover with reddish stems covered by colourful, oval leaves. Yellow rose-like flowers bloom in summer .

Zone: **6a** H: 16” W: 24”
H:40cm W:60cm

Hypericum polyphyllum ‘Grandiflorum’

Dwarf St. John’s Wart

Large yellow rose-like flowers with clus-ters of yellow stamens in spring sit atop upright stems and finely textured leaves in a dwarf, shrub-like mound. Prefers well-drained soils.

Zone: **6b** H: 10” W: 12”
H:25cm W:30cm

Hypericum x moserianum ‘Tricolour’

St. John’s Wart

Small shrub-like, mounding form of green leaves edged in shades of pink and cream. Golden yellow flowers with bushy stamens bloom in July.

Zone: **7a** H: 12” W: 24”
H:30cm W:60cm

IBERIS

Iberis gibraltarica 'Lavish'

Evergreen Candytuft

Mounds of deep green, evergreen foliage topped with delicate clusters of lavender blooms in spring. Excellent in a rock garden or cascading over edges and borders. Attracts pollinators

Zone: **7a** H: 12" W: 16"
H:6cm W:40cm

Iberis sempervirens

Evergreen Candytuft

Glossy, evergreen foliage creates a small mounding form. Layered clusters of delicate, pure white flowers bloom in spring. Spreads and spills over rocks and makes a nice groundcover.

Zone: **4a** H: 10" W: 32"
H:25cm W:80cm

Iberis sempervirens 'Little Gem'

Evergreen Candytuft

Deep green evergreen foliage forms a dense, compact mound that is topped with masses of small white flowers in spring.

Zone: **4a** H: 8" W: 22"
H:20cm W:55cm

Inula orientalis

Georgian Fleabane

Tall hairy stems with bright green foliage are topped by large, woolly buds that open into shaggy orangish-yellow, daisy-like flowers appear in summer with narrow petals and bushy cones. Unique variety that is attractive to pollinators. Seed pods can be left alone in the fall for birds to graze at.

Zone: **3a** H: 32" W: 28"
H:80cm W:70cm

IRIS

Iris 'Black Gamecock'

Louisiana Iris

Massive, dark purple flowers with yellow signals and velvety hoods hover above tall, dark green stems and narrow, sword-like foliage. Vigorous grower that prefers moist soils and blooms from late spring into early summer.

Zones: **5b** H: 36" W: 24"
H: 90cm W: 60cm

Iris 'Blue Flag'

Northern Blue Flag

Summer blooms consist of 3 large, drooping purplish-blue petals with yellow and white signals veined with blue. Light green, sword-like foliage. Prefers moist, boggy areas and showcases unique seed pods in fall.

Zones: **3b** H: 24" W: 24"
H: 60cm W: 60cm

Iris ensata 'Jodlesong'
Japanese Iris

Huge, orchid-like flowers with fuchsia petals are decorated with white and yellow centers. Blooms in late summer.

Zone: **5b** H: 36" W: 24"
H:90cm W:60cm

Iris ensata 'Royal Banner'
Japanese Iris

Huge, orchid-like flowers with dark purple petals and yellow centers. Prefers moist soils like on the border of a pond. Blooms in late spring.

Zone: **5b** H: 36" W: 24"

Iris ensata 'Variegata'
Japanese Iris

Stunning variegated leaves of green and cream grow tall and sword-like and boast a beautiful contrast of purplish-mauve blooms in summer.

Zone: **5b** H: 30" W: 24"

Iris germanica 'Black Knight'
Bearded German Iris

Stunning display of deep purple upright petals surrounded by near-black drooping falls in summer. Prefers a sunny location with well-draining soil.

Zone: **4a** H: 32" W: 24"
H:80cm W:60cm

Iris germanica 'Immortality'
Bearded German Iris

Clump forming habit of narrow, green leaves and upright stems bearing large, ruffled, pure-white blooms and a cream beard. Rebloomer all summer.

Zone: **4a** H: 28" W: 18"
H:70cm W:45cm

Iris germanica 'Red'
Bearded German Iris

In summer, large blooms of deep red, layered petals sit atop tall stems amid sword-like foliage. Prefers a sunny location with well-draining soil.

Zone: **4a** H: 32" W: 24"
H:80cm W:60cm

Iris germanica 'Yellow'
Bearded German Iris

Bright yellow blooms kissed with orange decorate tall stems of deep green over grassy foliage. Summer bloomer.

Zone: **4a** H: 32" W: 24"
H:80cm W:60cm

Iris pseudacorus
Yellow Flag

Large, bright yellow blooms with slight brown veining appear in summer and grow atop clumps of deep green, long, narrow foliage.

Zone: **6a** H: 32" W: 24"
H:80cm W:60cm

Iris pseudacorus 'Variegata'
Yellow Flag

Large, bright yellow blooms with dark brown veining grow atop clumps of variegated, long, narrow foliage. Summer bloomer.

Zone: **6a** H: 32" W: 24"
H:80cm W:60cm

Iris pumila 'Cherry Garden'

Dwarf Bearded Iris

Maroon flowers with deep purple falls and bluish beards bloom in spring in a dwarf, clump forming habit.

Zone: **4a** H: 14" W: 16"
H:35cm W:40cm

Iris pumila 'Light Blue'

Dwarf Bearded Iris

Soft, pastel blue petals with white beards bloom in spring over sword-like foliage. Prefers a warm spot with excellent drainage.

Zone: **3a** H: 12" W: 14"
H:30cm W:35cm

Iris pumila 'Orange Caper'

Dwarf Bearded Iris

Deep yellow flower with orange beards and veining on the falls in the spring. Prefers a warm spot with excellent drainage.

Zone: **3a** H: 14" W: 16"
H:35cm W:40cm

Iris pumila 'Pink'

Dwarf Bearded Iris

Soft pink flowers with peach and cream falls bloom in spring on upright stems amid sword-like foliage.

Zone: **3a** H: 14" W: 16"
H:35cm W:40cm

Iris pumila 'Purple'

Dwarf Bearded Iris

Deep purple flowers with velvety falls and bluish beards bloom on upright stems amid sword-like foliage in spring.

Zone: **4a** H: 14" W: 16"
H:35cm W:40cm

Iris pumila 'White Gem'

Dwarf Bearded Iris

Pure white, ruffled petals with pale yellow beards and centers bloom in spring on upright stems amid sword-like foliage.

Zone: **4a** H: 14" W: 16"
H:35cm W:40cm

Iris pumila 'Yellow'

Dwarf Bearded Iris

Deep yellow flowers with ornate, brown streaked falls and yellow beards bloom in spring on upright stems amid sword-like powdery green foliage.

Zone: **3a** H: 14" W: 16"
H:35cm W:40cm

Iris sibirica 'Blue King'

Siberian Iris

Lilac-blue petals with dark blue veining and yellow throats grow tall above bright green sword-like foliage. Blooms in early summer.

Zone: **4a** H: 36" W: 24"
H:90cm W:60cm

Iris sibirica 'Caesar's Brother'

Siberian Iris

Deep blue flowers with painted streaks of yellow and white grow tall above bright green sword-like foliage. Blooms in early summer.

Zone: **3a** H: 36" W: 24"
H:90cm W:60cm

Iris sibirica 'Henry's White'

Siberian Iris

Tall form with dark green, upright stems topped with white-cream, dainty blooms with yellow throats. Long blooming period from late spring to late summer.

Zone: **5a** H: 36" W: 24"
H:90cm W:60cm

Iris sibirica 'Papillon Blue'

Siberian Iris

Appearing in spring, large, lavender-blue blooms with painted centers of white and gold sit atop sturdy stems and sword-like foliage. Excellent at the waterside or in moist soils.

Zone: **3a** H: 34" W: 24"
H:85cm W:60cm

Iris versicolour

Native wildflower of Eastern North America with upright stems and long, narrow green leaves that are complimented by stunning blooms of purplish-blue decorated with dark purple veining and streaks of white and yellow in the spring.

Zone: **3a** H: 46" W: 28"
H:115cm W:70cm

Iris sibirica 'White Swirl'

Siberian Iris

An award winning Iris. Clumps of bright green, sword-like leaves are graced with pure white blooms with yellow throats.

Zone: **4a** H: 24" W: 18"
H: 60cm W: 45cm

Jasione montana 'White Delight'

White Sheep's Bit

Dense cushions of starry white blooms sit atop slender serrated evergreen foliage. Flowers all summer long and is wonderful in the rock garden.

Zone: **5a** H: 6" W: 8"
H:15cm W:20cm

Jasione perennis

Sheep's Bit

Dense cushions of large, starry, lavender blooms that flower all summer long sit atop slender, dark green stems and pointed, broad evergreen foliage. Excellent in a rock garden.

Zone: **5a** H: 6" W: 8"
H:15cm W:20cm

KNIPHOFIA

Kniphofia uvaria 'Flamenco'

Red Hot Poker

Large clump of grassy leaves with tall, dark green stems decorated with large bottlebrush racemes, in a stunning range of yellow bases with orangish-red tops from late spring to summer.

Zone: **6a** H: 34" W: 22"
H:85cm W:55cm

Kniphofia uvaria 'Royal Standard'

Red Hot Poker

Tall variety of clump forming, grassy foliage with tall thick stems and massive torch-shaped racemes that bloom bottom to top of yellow and orangish-red tubular blooms from late spring to summer.

Zone: **6a** H: 48" W: 24"
H:120cm W:60cm

LAMIASTRUM

Lamiastrum galeobdolon 'Herman's Pride'

Silver Archangel

Clump forming with serrated, deep green foliage decorated with silver spotting. Small, hooded, pale yellow flowers bloom in spring. Groundcover.

Zone: **3a** H: 12" W: 18"
H:30cm W:45cm

Lamiastrum galeobdolon Variegatum

Yellow Archangel

Very fast spreading mat of semi-evergreen, green and silver striped foliage. Delicate, hooded pastel yellow flowers bloom in spring. Excellent as a groundcover or underneath trees.

Zone: **4a** H: 12" W: 24"
H:30cm W:60cm

LAMIUM

Lamium maculatum

Spotted Dead-nettle

Unique groundcover with small, serrated green leaves with cream centers. Small circlets of hooded pink flowers bloom from mid spring to early summer.

Zone: **3a** H: 8” W: 30”
H:20cm W:75cm

Lamium mac. ‘Anne Greenaway’

Spotted Dead-nettle

Exquisite blend of chartreuse, silver, and medium green, serrated foliage grows in a spreading mound. Mauve flowers bloom from summer to fall.

Zone: **3a** H: 8” W: 16”
H:20cm W:40cm

Lamium mac. ‘Aureum’

Golden Spotted Dead-nettle

Layers of citrus yellow, serrated leaves decorated with a white stripe down the center bear rosy pink hooded flowers from spring to end of summer.

Zone: **3a** H: 8” W: 20”
H:20cm W:50cm

Lamium mac. ‘Beacon Silver’

Spotted Dead-nettle

Showy, yellow leaves with dark green edges grow in a spreading, mounding form. Purplish-pink hooded flowers bloom from summer to fall.

Zone: **3a** H: 8” W: 20”
H:20cm W:50cm

Lamium mac. ‘Pink Pewter’

Spotted Dead-nettle

Forms a mat of small silvery -green, serrated foliage topped with circlets of dainty, pink flowers that bloom off and on from spring to fall.

Zone: **3a** H: 8” W: 20”
H:20cm W:50cm

Lamium mac. ‘Purple Dragon’

Spotted Dead-nettle

A spreading mat of silvery pointed leaves with a dark green outline and topped with purple circlet blooms on and off from spring to fall.

Zone: 3a H: 6” W: 18”
H: 15cm W: 45cm

Lamium mac. ‘White Nancy’

Spotted Dead-nettle

Small, serrated foliage with a silver-white overlay grow in a spreading, mounding form. Circlets of pure white flowers bloom off and on from spring to fall.

Zone: **3a** H: 8” W: 20”
H:20cm W:50cm

Palace Perennials* (*Sipkens Nurseries) A div. of 181979 Ontario Inc. P: 1-877-843-0438 F: 519-542-1079 E: sales@sipkensnurseries.com

Lathyrus latifolius 'Red Pearl'

Everlasting Sweet Pea

Stunning, climbing vine with soft, green, pointed foliage on smooth stems covered with velvety, rounded flowers in a deep fuchsia-pink hue. Excellent as a ground cover for mass plantings or staked for climbing. Blooms are long lasting and appear from mid-summer to autumn.

Zone: **4b** H: 60" W: 40"
H:150cm W:100cm

LAVENDULA

Lavandula angustifolia 'Hidcote Blue'

English Lavender

Deep purple flower spikes above mounds of gray-green foliage provide great fragrance in summer.

Zone: **5a** H: 16" W: 22"
H:40cm W:55cm

Lavandula angustifolia 'Munstead'

English Lavender

Classic, deep blue summer flower spikes with fragrant, greyish-green leaves. Great as cut or dried flower.

Zone: **5a** H: 16" W: 22"
H:40cm W:55cm

Lavandula angustifolia 'Rosea'

English Lavender

Shell-pink spikes of fragrant blooms appear on this large, shrub-like plant in late spring and summer. Excellent as a cut or dried flower.

Zone: **5b** H: 30" W: 36"
H:75cm W:90cm

Lavandula x intermedia 'Phenomenal'

English Lavender

Mounds of silvery green foliage topped with tall stems of deep purple, fragrant flowers that bloom from summer to fall. Excellent for drying.

Zone: **5b** H: 30" W: 30"
H:75cm W:74cm

Lavandula x intermedia 'Phenomenal Niko'

English Lavender

Massive, shrub-like plant with bright green foliage and tall stalks covered by fragrant deep purple flowers in summer.

Zone: **5a** H: 30" W: 48"
H:75cm W:120cm

LEONTOPODIUM

Leontopodium alpinum
Edelweiss

Well-known wild mountain flower, originating in the Swiss Alps. Plants form a short clump of greyish-green foliage, with clusters of woolly white flowers in early summer.

Zones: **3a** H: 8” W: 12”
H:20cm W:30cm

LEUCANTHEMUM

Leucanthemum max. ‘Becky’
Shasta Daisy

Tall variety that sports large, single white daisies with round, yellow centers. Flowers bloom in summer atop tall stems covered in deep green, shiny, pointed leaves.

Zone: **5a** H: 40” W: 22”
H: 100cm W: 55cm

Leucanthemum x superbum ‘Alaska’
Shasta Daisy

Dark green leaves and stems are topped by a single white daisy with a yellow center blooming from summer to fall.

Zone: **4a** H: 36” W: 22”
H: 90cm W: 55cm

Leucanthemum x superbum ‘Exhibition’
Shasta Daisy

Creamy-white, semi-double flowers, with yellow centres, bloom in summer atop tall, sturdy stems. Excellent as a cut flower.

Zone: **4a** H: 32” W: 24”
H:80cm W:60cm

Palace Perennials* (*Sipkens Nurseries) A div. of 181979 Ontario Inc. P: 1-877-843-0438 F: 519-542-1079 E: sales@sipkensnurseries.com

LEUCANTHEMUM

Leucanthemum x superbum 'Real Glory'
Shasta Daisy

Pure white, layered blooms hover atop slender dark green stalks from summer through to fall. Excellent cut flower.

Zone: **5b** H: 23" W: 12"
H: 60cm W: 30cm

Leucanthemum x superbum 'Real Sunbeam'
Shasta Daisy

Dark green sturdy stems hold yellow, sunbeam coloured daisies that bloom from summer to fall. Prolific bloomer.

Zone: **4a** H: 18" W: 18"
H: 45cm W: 45cm

Leucanthemum x superbum 'Silver Princess'
Shasta Daisy

Compact, dwarf variety, with multiple clumps of single white flowers with yellow centers that bloom from summer to fall. Excellent as a cut flower.

Zone: **5a** H: 12" W: 18"
H:30cm W:45cm

Leucanthemum x superbum 'Snow Cap'
Shasta Daisy

Very compact variety that grows in a mounding form covered with single stemmed white daisies and bright yellow centers in summer.

Zone: **4a** H: 14" W: 18"
H:35cm W:45cm

Leucanthemum x superbum 'Victorian Secret'
Shasta Daisy

Gorgeous ruffled, double bloom, pure-white flowers with pale yellow centers bloom in summer in contrast with dark green, variegated leaves.

Zone: **6a** H: 16" W: 20"
H:40cm W:50cm

Leucanthemum x superbum 'Whitecap'
Shasta Daisy

Compact, sturdy variety with large white blooms on dark green, grassy foliage. Blooms from spring into summer.

Zone: **5a** H: 14" W: 14"
H: 36cm W: 36cm

LEWISIA

Lewisia cotyledon hybrid 'Rainbow'

Hybrid Lewisia

Low growing, fleshy, evergreen foliage topped with rosettes of bright and colourful daisy-like blooms in an array of colours from orange to pink. Flowers bloom in late spring to early summer.

Zone: **4a** H: 8" W: 10"
H:20cm W:25cm

Lewisia longipetala 'Little Plum'

Lewisia

Low growing, fleshy, evergreen foliage topped with rosettes of pinky-plum coloured flowers that bloom in late spring. Slow growing and great for pops of colour in the rock garden.

Zone: **4a** H: 6" W: 8"
H:15cm W:20cm

LIATRIS

Liatris spicata

Gayfeather

Produces unique, tall, stiff, purple bottle-brush flowers above clumps of narrow, grass-like, green foliage from summer to fall. Excellent for attracting pollinators and as a cut flower.

Zone: **3a** H: 32" W: 18"
H:80cm W:45cm

Liatris spicata 'Alba'

White Gayfeather

Tall spikes of stiff, pure-white, bottle-brush flowers grow over clumps of narrow, grass-like, green foliage from summer to fall. Excellent for attracting pollinators and as a cut flower.

Zone: **3a** H: 32" W: 18"
H:80cm W:45cm

LIGULARIA

Ligularia dentata
Leopard Plant

Large, dark green, velvety foliage with purple undersides and slightly scalloped edges. Golden yellow, daisy-like flowers bloom in summer.

Zone: **4a** H: 32” W: 24”
H:80cm W:60cm

Ligularia dentata ‘Britt Marie Crawford’
Leopard Plant

Known for its glossy chocolate-maroon foliage that matures to deep green with clusters of large, yellow-orange flowers in summer.

Zone: **4b** H: 36” W: 24”
H:90cm W:60cm

Ligularia dentata ‘Midnight Lady
Leopard Plant

Large, glossy leaves of dark green and purple surround sturdy stalks sporting large yellow daisy like flowers in summer.

Zone: **4a** H: 35” W: 28”
H: 88cm W:

Ligularia japonica
Chinese Dragon

Large, glossy, deeply divided green foliage with a tropical, lacy look. A great showy plant with 5’ tall stems sporting bright yellow, drooping blooms in summer.

Zone: **5a** H: 60” W: 28”
H:150cm W:70cm

Ligularia przewalskii
Ligularia

Massive, broad leaved and deep green foliage with spikes of airy, golden yellow blooms appearing in summer. Excellent in the middle of a shady garden or around a pond.

Zone: **4a** H: 64” W: 40”
H:162cm W:100cm

Ligularia x ‘Laternchen’
Little Lantern Dwarf Ligularia

A dwarf, compact variety with mounds of dark green, scalloped foliage and sturdy stems topped with large, conical heads of bright yellow flowers in summer.

Zone: **5a** H: 30” W: 24”
H:75cm W:60cm

LILLIUM

Lilium orientale 'Mona Lisa'

Oriental Lily

Slender, tall stalks hold extra large, soft pink flowers with white overtones and red speckled centers. Flowers are very fragrant and bloom in mid-summer over dense mounds of dark green, pointed foliage.

Zones: **5a** H: 22" W: 12"
H:55cm W:30cm

Lilium orientale 'Stargazer'

Oriental Lily

Large, fragrant, deep pink flowers with white edges and speckles of red bloom tall over dense mounds of dark green, pointed foliage. Flowers bloom in mid-summer. Mulch to keep roots cool.

Zones: **4a** H: 36" W: 12"
H:90cm W:30cm

Lilium x 'Buzzer'

Asiatic Lily

Brilliant crimson-pink flowers edged in white with deep red stamens bloom in summer on compact green foliage.

Zone: **4a** H: 24" W: 8"
H:60cm W:20cm

Lilium x 'Crimson Pixie'

Dwarf Asiatic Lily

Compact clumps of grassy foliage with clusters of deep red, trumpet-shaped flowers that bloom in early summer.

Zone: **3a** H: 16" W: 12"
H:40cm W:30cm

Lilium x 'Golden Matrix'

Asiatic Lily

Yellow trumpet-shaped flowers covered with tiny brown speckles bloom in summer over grassy green foliage.

Zone: **4a** H: 24" W: 16"
H:60cm W:40cm

Lilium x 'Ladylike'

Asiatic Lily

Large, trumpet-shaped flowers that fade from pink to yellow bloom in summer over grassy green foliage.

Zone: **4b** H: 18" W: 12"
H:45cm W:30cm

Lilium x 'Lemon Pixie'

Dwarf Asiatic Lily

Compact clumps of grassy foliage with clusters of yellow trumpet-shaped flowers that bloom in summer.

Zone: **3a** H: 16" W: 12"
H:40cm W:30cm

Lilium x 'Orange Matrix'

Dwarf Asiatic Lily

Compact clumps of grassy foliage topped with bold, orange, trumpet-shaped, freckled flowers in early summer.

Zone: **3a** H: 18" W: 10"
H: 45cm W: 25cm

Lilium x 'Orange Pixie'

Dwarf Asiatic Lily

Compact clumps of grassy foliage topped with bright orange, trumpet-shaped, freckled flowers in early summer.

Zone: **3a** H: 18" W: 12"
H:45cm W:30cm

Lilium x 'Pink Pixie'

Dwarf Asiatic Lily

Compact clumps of grassy foliage with clusters of large trumpet-shaped pink flowers with brown speckles that bloom in summer.

Zone: **3a** H: 18" W: 12"
H:45cm W:30cm

Lilium x 'Rozalynn'

Dwarf Asiatic Lily

Compact clumps of grassy foliage with clusters of large pale pink summer blooms with yellow throats.

Zone: **3a** H: 20" W: 12"
H:50cm W:30cm

LINUM

Linum flavum 'Compactum'

Dwarf Golden Flax

Bright green, lance-shaped leaves in a compact mound covered with masses of cheery yellow star-shaped flowers in late spring.

Zone: **4b** H: 18" W: 16" H:45cm W:40cm

Linum perenne 'Diamant White'

Diamond Flax

Delicate, soft white flowers bloom in summer on thin stems and over fine foliage. Spent blooms leave attractive seed pods.

Zone: **3a** H: 20" W: 10" H:50cm W:25cm

Linum perenne 'Saphyr'

Sapphire Flax

Delicate, rich, blue cup-like flowers bloom in summer on thin stems and above fine, fern-like foliage.

Zone: **3a** H: 12" W: 22" H:30cm W:55cm

LOBELIA

Lobelia fulgens 'Queen Victoria'

Cardinal Flower

Tall, scarlet stems are covered in small pointed leaves and bright red flowers from mid-summer on. Prefers moist soils.

Zone: **7b** H: 34" W: 18" H:85cm W:45cm

Lobelia 'Grape Knee-Hi'

Cardinal Flower

Compact variety with grape-purple blooms covering bright stems over dark, pointed leaves throughout late summer and fall. Prefers moist soils.

Zone: **6a** H: 22" W: 16" H:55cm W:40cm

Lobelia 'Monet Moment'

Cardinal Flower

Stunning selection with tall spikes of deep pink flowers blooming in late summer throughout fall, atop dark-green leaves. Prefers moist soils.

Zone: **5a** H: 34" W: 22" H:85cm W:55cm

Lobelia siphilitica 'Blue'

Cardinal Flower

Easy to grow variety bearing tall spikes of dark-blue blooms from late summer to fall atop dark-green foliage. Prefers moist soils and is more perennial in habit than other forms.

Zone: **5a** H: 34" W: 22" H:85cm W:55cm

Palace Perennials* (*Sipkens Nurseries) A div. of 181979 Ontario Inc. P: 1-877-843-0438 F: 519-542-1079 E: sales@sipkensnurseries.com

LUPINUS

Lupinus polyphyllus 'Minarette'

Dwarf Lupine

Small, compact variety with cone-shaped clusters of blooms in red, yellow, white, purple and blue. Flowers appear in late spring to early summer over bright green palmate leaves. Attracts hummingbirds and butterflies.

Zone: **3a** H: 14" W: 16"
H:35cm W:40cm

Lupinus 'Russell Hybrid Mix'

Lupine

Large red, yellow and pink spikes bloom during the summer. Prefers cooler locations and attracts hummingbirds and butterflies.

Zone: **4a** H: 38" W: 18"
H:95cm W:45cm

Lupinus 'Russell Blue Shades'

Lupine

Tall, thick spikes of two-tone, pea-shaped blooms of blue and white appear in late spring over rich, green finger-like leaflets.

Zone: **4a** H: 30" W: 14"
H:75cm W:35cm

Lupinus 'Russell Carmine Shades'

Lupine

Tall, thick spikes of pea-shaped, dark pink and yellow blooms appear in late spring over rich, green, finger-like leaflets. creating a stunning effect for a garden.

Zone: **4a** H: 30" W: 14"
H:75cm W:35cm

Lupinus 'Russell Pink Shades'

Lupine

Tall, thick spikes of pea-shaped blooms of pink and white appear in late spring over rich, green, finger-like leaflets.

Zone: **4a** H: 24" W: 14"
H:60cm W:35cm

Lupinus 'Russell Red Shades'

Lupine

Tall, thick spikes of pea-shaped blooms of red and white appear in late spring over rich, green, finger-like leaflets.

Zone: **4a** H: 18" W: 24"
H:45cm W:60cm

Lupinus 'Russell Yellow Shades'

Lupine

Tall, thick spikes of pea-shaped blooms of yellow and white appear in late spring over rich, green, finger-like leaflets.

Zone: **4a** H: 18" W: 24"
H:45cm W:60cm

LYCHNIS

Lychnis flos-cuculi nana 'Peggy'

Flower of Jove

Bright, rosy-pink, clusters of flowers on slender, upright stems above grey, felt-like foliage. Compact variety best used in the rock garden or in containers. Flowers appear from May to June.

Zone: **4a** H: 10" W: 12"
H:25cm W:30cm

Lychnis haageana 'Molten Lava'

Dwarf Campion

Compact variety with low growing, bushy bronze foliage topped with striking deep orangey-red blooms throughout summer.

Zone: **4a** H: 8" W: 10"
H:20cm W:25cm

Lychnis viscaria 'Alpina'

Catchfly

Clusters of rich magenta, frilly flowers bloom in spring atop medium green lanceolate foliage. Compact habit great for rock gardens. Attracts pollinators.

Zone: **1b** H: 6" W: 8"
H:15cm W:20cm

Lychnis viscaria splendens 'Firebird'

Catchfly

Clumps of green, grass-like foliage play host to tall stems of fire red flowers from May to June. Great for growing in a mixed perennial bed.

Zone: **4a** H: 20" W: 16"
H:50cm W:40cm

Lychnis x arkwrightii 'Orange Dwarf'

Catchfly

Unique variety that forms a low, bushy mound of pointed, mahogany foliage with a contrast of orangey-red flower clusters that bloom in early summer.

Zone: **4a** H: 16" W: 12"
H:40cm W:30cm

LYSIMACHIA

Lysimachia atropurpurea 'Beaujolais'

Loosestrife

Beautiful spikes of burgundy flowers bloom in mid-summer atop clumps of frilly, silvery-green pointed foliage. Loved by pollinators and excellent as cut flowers.

Zone: **5a** H: 22" W: 18"
H:55cm W:45cm

Lysimachia ciliata 'Firecandle'

Loosestrife

North American native that forms an upright mound of burgundy and green leaves with racemes of yellow, star-shaped flowers that bloom in summer.

Zone: **3a** H: 34" W: 34"
H:85cm W:85cm

Lysimachia clethroides

Gooseneck Loosestrife

Numerous white flower spikes curve like a goose neck over tall stems with layers of pointy green foliage. Blooms in summer.

Zone: **4a** H: 34" W: 34"
H:85cm W:85cm

Lysimachia nummularia

Creeping Jenny

Low growing mat of dark green, rounded leaves adorned with golden yellow flowers in summer. Excellent for cascading over walls.

Zone: **3a** H: 4" W: 22"
H:10cm W:55cm

Lysimachia nummularia 'Aurea'

Golden Creeping Jenny

Bright golden-yellow, rounded leaves in a low growing mat. Less spreading than dark green variety. Yellow flowers appear in late spring to summer.

Zone: **3a** H: 4" W: 18"
H:10cm W:45cm

Lysimachia punctata 'Alexander'

Variegated Loosestrife

Layers of variegated foliage emerge brilliant pink with creamy yellow edges maturing to green in summer. Clusters of summer-blooming starry yellow flowers.

Zone: **5a** H: 22" W: 22"
H:55cm W:55cm

Lysimachia punctata 'Golden Alexander'

Golden Variegated Loosestrife

Layers of green foliage edged in white with clusters of golden yellow, star-shaped flowers blooming in summer.

Zone: **5a** H: 22" W: 22"
H:55cm W:55cm

MALVA

Malva moschata f. 'Alba'

Musk Mallow

Erect and bushy form of tall stems and medium green, finely divided foliage covered by clusters of pure white, five petalled flowers that bloom from June to August. Blooms are known for having a sweet, musky fragrance.

Zone: **4a** H: 32" W: 24"
H:80cm W:60cm

Malva moschata 'Rosea'

Pink Musk Mallow

Erect and bushy form of tall stems and medium green, finely divided foliage covered by clusters of satiny pink five petalled flowers that bloom from June to August. Blooms are known for having a sweet, musky fragrance.

Zone: **4a** H: 32" W: 24"
H:80cm W:60cm

Malva moschata 'Pink Perfection'

Musk Mallow

Erect and bushy form of tall stems and dark green, finely divided foliage covered by clusters of long-lasting, rosy-lavender, five petalled blooms from early summer to fall. Blooms are known for having a sweet, musky fragrance.

Zone: **5a** H: 32" W: 20"
H:80cm W:50cm

Malva sylvestris 'Zebrina'

Zebra Mallow

Very tall, bushy form of deep green stems and finely divided leaves paired with clusters of long-lasting soft pink blooms with violet streaks radiating from the centre of each of the five petals. Flowers bloom in summer, lasting longer in colder regions.

Zone: **6b** H: 46" W: 22"
H:115cm W:55cm

MONARDA

Monarda didyma 'Balmy Lilac'

Dwarf Bee Balm

Compact selection of large, shaggy, lilac flowers in clusters above fragrant, pointed foliage. Flowers bloom in late spring to summer.

Zones: **5a** H: 12" W: 10"
H: 30cm W: 25cm

Monarda didyma 'Balmy Pink'

Dwarf Bee Balm

Compact selection of large, shaggy, pink flowers in clusters above fragrant, pointed foliage. Flowers bloom in late spring to summer.

Zones: **5a** H: 12" W: 10"
H: 30cm W: 25cm

Monarda didyma 'Balmy Purple'

Dwarf Bee Balm

Compact selection of large, shaggy, purple flowers above fragrant, pointed foliage. Flowers bloom in late spring to summer and are excellent pollinators.

Zones: **5a** H: 12" W: 10"
H: 30cm W: 25cm

Monarda didyma 'Balmy Rose'

Dwarf Bee Balm

Compact selection of large, shaggy, rose flowers above fragrant, pointed foliage. Flowers bloom in late spring to summer and are excellent pollinators.

Zones: **5a** H: 12" W: 10"
H: 30cm W: 25cm

Monarda didyma 'Blue Stocking

Bee Balm

Compact, fragrant, pointed foliage and violet, shaggy flowers that bloom from summer to fall and attract pollinators.

Zone: **4a** H: 38" W: 28"
H: 95cm W: 70cm

Monarda didyma 'Bubblegum Blast'

Bee Balm

Vigorous, mid-sized variety with fragrant foliage and shaggy, hot pink blooms that flower in summer and attract pollinators.

Zone: **4a** H: 24" W: 32"
H: 60cm W: 80cm

MONARDA

Monarda d. 'Cambridge Scarlet'
Bee Balm

Compact, with fragrant, bronze tinged foliage and red shaggy flowers that bloom in summer attracting pollinators.

Zone: **5a** H: 38" W: 28"
H:95cm W:70cm

Monarda d. 'Fireball'
Bee Balm

Compact, with large, deep-red, shaggy flowers that bloom in mid-summer over bright green, fragrant foliage.

Zone: **5a** H: 26" W: 22"
H:65cm W:55cm

Monarda didyma 'Jacob Kline'
Bee Balm

Taller variety with large, bright red, shaggy flowers over bright green fragrant foliage in summer.

Zone: **4a** H: 46" W: 28"

Monarda d. 'Lilac Lollipop'
Bee Balm

Vigorous mid-sized selection with brilliant pink shaggy flower heads on fragrant foliage. Good mildew resistance.

Zone: **5a** H: 14" W: 16"
H: 36cm W: 41cm

Monarda didyma 'Panorama'
Bee Balm

Brilliant mix of red, white and pink on tall stems blooming in mid-summer above fragrant foliage.

Zone: **5a** H: 36" W: 24"

Monarda d. 'Pink Frosting'
Bee Balm

Vigorous, mid-sized variety with fragrant foliage and shaggy, hot pink blooms that flower in summer.

Zone: **4a** H: 24" W: 32"
H: 60cm W: 80cm

Monarda 'Petite Delight'
Dwarf Bee Balm

Dense cushion of fragrant grey-green foliage topped with lavender-pink, shaggy blooms in mid-summer.

Zone: **4a** H: 12" W: 18"
H:30cm W:45cm

Monarda 'Petite Wonder'
Dwarf Bee Balm

Dense cushion of fragrant grey-green foliage topped with soft pink, shaggy blooms in mid-summer.

Zone: **4a** H: 12" W: 18"
H:30cm W:45cm

Monarda d. 'Raspberry Wine'
Bee Balm

Tall variety with large, wine-red, shaggy flowers that bloom in summer over bright green, fragrant foliage.

Zone: **4a** H: 46" W: 28"
H:115cm W:70cm

Mukdenia rossii

Mukdenia

Low, round mound of five petalled, glossy, medium green foliage that surround short stems bearing clumps of white, star-shaped flowers that bloom in early spring. Excellent for mass plantings, beddings or in containers.

Zone: **5a** H: 12” W: 20”
H:30cm W:50cm

Mukdenia rossii ‘Crimson Fans’

Mukdenia

Low, round mound of five petalled, glossy, medium green foliage that surround short stems bearing clumps of white, star-shaped flowers that bloom in early spring. Leaves turn to crimson red and burgundy after flowering season.

Zone: **5a** H: 12” W: 18”
H:30cm W:45cm

Mukgenia ‘Nova Flame’

Mukgenia

Bergenia and Mukdenia hybrid with jagged, thick, leathery green leaves with burgundy edging in the fall. Tall, cardinal red panicles of star-shaped, crimson flowers bloom in spring and last through to summer.

Zone: **4a** H: 8” W: 14”
H:20cm W:35cm

Myosotis sylvatica ‘Compindi’

Alpine Forget-Me-Not

Dense clumps of medium green, narrow leaves are topped with mounds of tiny, intensely bright blue, star-shaped flowers with yellow centers that bloom in spring. Excellent as a border plant.

Zone: **6a** H: 6” W: 10”
H:12cm W:25cm

NEPETA

Nepeta faassenii ‘Junior Walker’

Catmint

Compact variety of low, spreading, clumps of grey-green fragrant foliage, with upright spikes of lavender flowers blooming on and off from spring to fall.

Zone: **6a** H: 16” W: 34”
H:40cm W:85cm

Nepeta faassenii ‘Purrsian Blue’

Catmint

Compact variety of low, spreading, clumps of grey-green fragrant foliage, with upright spikes of lavender flowers blooming on and off from spring to fall.

Zone: **6a** H: 16” W: 34”
H:40cm W:85cm

Nepeta faassenii ‘Walker’s Low’

Catmint

Upright, shrubby mound of delicate grey-green, fragrant foliage. Small, bluish-lavender flower spikes appear from late spring to early fall. Most effective when planted in groupings and excellent as a border plant.

Zone: **4a** H: 28” W: 34”
H: 70cm W: 85cm

Nepeta nervosa ‘Blue Carpet’

Catmint

Dense clumps of delicate, grey-green fragrant foliage, with thick stems bearing spikes of bluish-purple flowers in summer. Excellent as cut flowers and loved by pollinators.

Zone: **5a** H: 20” W: 22”
H: 50cm W: 55cm

OENOTHERA

Oenothera fremontii 'Shimmer'

Evening Primrose

Compact, mounding form with lacy, silver-green foliage and dainty, crepe-like yellow blossoms in summer. Fairly drought-tolerant.

Zone: **5a** H: 12" W: 14"
H:30cm W:35cm

Oenothera macrocarpa

Ozark Sundrops

Compact, mounding form with lacy, deep-green foliage, and large, crepe-like yellow flowers in summer. Drought tolerant.

Zone: **4a** H: 12" W: 16"
H:30cm W:35cm

Oenothera missouriensis

Ozark Sundrops

Large, fragrant, canary-yellow flowers bloom in summer over narrow lance-shaped medium green leaves. Flowers leave behind beautiful, decorative seed pods.

Zone: **4a** H: 12" W: 16"
H:30cm W:40cm

Oenothera speciosa

Showy Evening Primrose

Large, dainty, cup-shaped white blooms appear in spring above upright clumps of narrow, green foliage. Blooms mature to soft pink as season progresses.

Zone: **5a** H: 24" W: 18"
H:60cm W:45cm

Oenothera tetragona 'Fireworks'

Evening Primrose

Compact variety of deep bronzy-green foliage with red stems that give rise to bright yellow, crepe-like flowers in summer. Burgundy rosette seed pods replace flowers in winter.

Palace Perennials* (*Sipkens Nurseries) A div. of 181979 Ontario Inc. P: 1-877-843-0438 F: 519-542-1079 E: sales@sipkensnurseries.com

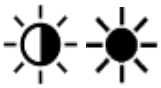
PACHYSANDRA

Pachysandra terminalis

Japanese Spurge

Evergreen groundcover, with glossy, dark green leaves and clusters of white flowers tinged with pink in spring. Excellent under shade trees.

Zones: **4a** H: 8” W: 12”
H:20cm W:30cm

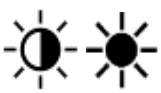


Pachysandra terminalis ‘Variegata’

Variegated Japanese Spurge

Evergreen groundcover with glossy, dark green leaves with white edging and clusters of white flowers in spring. Excellent under shade trees.

Zones: **4a** H: 8” W: 12”
H:20cm W:30cm



PAEONIA

Paeonia lactiflora 'Adolphe Rousseau'

Peony

Large, crimson red, double flowers bloom atop dark red stems in early summer. Foliage is dark green and narrow. Blooms are very fragrant and make excellent cut flowers. Will flower for approximately 10-12 days.

Zone: **4a**

H: 48" W: 48"
H:120cm W:120cm

Palace Perennials* (*Sipkens Nurseries) A div. of 181979 Ontario Inc. P: 1-877-843-0438 F: 519-542-1079 E: sales@sipkensnurseries.com

Paeonia lactiflora 'Dr. Alexander Fleming'

Double Peony

Large, deep-pink and fragrant double blooms appear in spring on deep green bushy foliage.

Zone: **4a** H:30" W:18" H:70cm W:45cm

Paeonia lactiflora 'Duchesse De Nemours'

Double Peony

Large, creamy white and fragrant double blooms appear in spring on deep green bushy foliage.

Zone: **4a** H:36" W:32" H:90cm W:80cm

Paeonia lac. 'Edulis Superba'

Double Peony

Extremely fragrant, bright pink blooms with fluffy centers appear in spring atop dark-green foliage. Attracts pollinators.

Zone: **3a** H:36" W:30" H:90cm W:75cm

Paeonia lac. 'Felix Crousse'

Double Peony

Large, raspberry-red double blooms appear in late spring atop dark green, bushyfoliage. Fragrant.

Zone: **4a** H: 36" W: 36" H:90cm W:90cm

Paeonia lac. 'Festiva Maxima'

Double Peony

Large, white, frilly double blooms, speckled with red, appear in early spring on dark green, bushy foliage.

Zone: **4a** H: 36" W: 36" H:90cm W:90cm

Paeonia lac. 'Inspecteur Lavergne'

Double Peony

Large, deep red, double blooms, sometimes edged in white, flower in spring atop dark green, bushy foliage.

Zone: **3a** H: 30" W: 34"

Paeonia lac. 'Karl Rosenfield'

Peony

Large, cherry-red, double flowers bloom in late spring on glossy, dark green, bushy foliage. Fragrant.

Zone: **4a** H: 32" W: 36" H:80cm W:90cm

Paeonia lac. 'Margaret Trumen'

Double Peony

Large, deep pink, fluffy double flowers bloom in early summer on glossy, dark green, bushy foliage. Fragrant.

Zone: **5a** H: 32" W: 36" H:80cm W:90cm

Paeonia lac. 'Sarah Bernhardt'

Double Peony

Large, rose-pink, ruffled, double flowers bloom in late spring on dark green, bushy foliage. Very fragrant.

Zone: **3a** H:34" W:34" H:85cm W:85cm

PAPAVER

Papaver alpinum hybrids

Alpine Poppy

Dark-green, fern-like leaves, in a low mounding form coupled with stems shooting upwards, topped by delicate, crepe-like flowers in late spring, in a range of pastel hues. Great for rock gardens. Drought tolerant and self seeding.

Zone: **4a**

H: 10” W: 8”

Palace Perennials* (*Sipkens Nurseries) A div. of 181979 Ontario Inc. P: 1-877-843-0438 F: 519-542-1079 E: sales@sipkensnurseries.com

Papaver nudicaule 'Pacino'

Arctic Poppy

Low, clumping mounds of fern-like leaves with pale yellow, satiny flowers that bloom on long stems in late spring.

Zone: **2b** H: 6" W: 8"
H:15cm W:20cm

Papaver nudicaule 'Wonderland'

Arctic Poppy

Mounds of fern-like, dark-green leaves with large, four inch wide, satiny blooms in early spring in a mix of orange, pink, white and yellow.

Zone: **4a** H: 16" W: 8"
H:40cm W:20cm

Papaver orientale

Oriental Poppy

Tall, massive, satiny flowers with large, black cone-like centers, bloom in late spring in a range of red, white, orange or pink atop hairy, fern-like foliage.

Zone: **4a** H: 36" W: 24"
H:90cm W:60cm

Papaver orientale 'Beauty of Livermere'

Oriental Poppy

Low, clump forming mound of hairy leaves and tall stems bearing papery-thin, deep-red, satiny flowers with dark streaks. Blooms appear in early summer.

Zone: **4a** H: 36" W: 24"
H:90cm W:60cm

Papaver orientale 'Princess Victoria Louise'

Oriental Poppy

Clumps of low, hairy, fern-like leaves and tall stems topped with large, satiny, pale salmon-peach blooms in late spring.

Zone: **3a** H: 34" W: 24"
H:85cm W:60cm

Papaver orientale 'Queen Alexandra'

Oriental Poppy

Low, narrow mound of coarse, hairy leaves surround tall stems topped with large, satiny, coral-pink blooms in late spring.

Zone: **3a** H: 24" W: 10"
H:60cm W:25cm

Papaver orientale 'Royal Wedding'

Oriental Poppy

Coarse, hairy mounds of foliage surround tall stems topped with large, papery-thin, satin, white blooms in early summer.

Zone: **3a** H: 30" W: 18"
H:75cm W:45cm

Palace Perennials* (*Sipkens Nurseries) A div. of 181979 Ontario Inc. P: 1-877-843-0438 F: 519-542-1079 E: sales@sipkensnurseries.com

PENSTEMON

Penstemon barbatus 'Nana Rondo Mix'
Beardtongue

Tall, upright clump of dark green stems and leaves with a mixture of pink, red, fuchsia, blue, and violet, trumpet-looking flowers.

Zone: **4a** H: 16" W: 16"
H: 40cm W: 40cm

Penstemon 'Cha Cha Cherry'
Beardtongue

Upright, bushy habit of narrow foliage and tall, sturdy stems topped with dark cherry-red trumpet-like blooms flowering from late spring to fall. Very attractive to pollinators.

Zone: **7a** H: 28" W: 22"

Penstemon 'Cha Cha Hot Pink'
Beardtongue

Upright, bushy habit of narrow foliage and tall, sturdy stems topped with bright pink trumpet-like blooms flowering from spring to fall. Very attractive to pollinators.

Zone: **7a** H: 24" W: 22"
H:60cm W:55cm

Penstemon 'Cha Cha Lavender'
Beardtongue

Upright, bushy habit of narrow foliage and tall, sturdy stems topped with lavender trumpet-like blooms flowering from spring to fall. Very attractive to pollinators.

Zone: **7a** H: 24" W: 22"
H:60cm W:55cm

Penstemon 'Cha Cha Purple'
Beardtongue

Upright, bushy habit of narrow foliage and tall, sturdy stems topped with purple trumpet-like blooms flowering from spring to fall. Very attractive to pollinators.

Zone: **7a** H: 24" W: 22"
H:60cm W:55cm

Penstemon digitalis 'Husker Red'
Beardtongue

Clumps of greenish maroon leaves with tall panicles of white tubular-shaped blooms that sometimes have a pinkish hue. Flowers bloom in late spring and attract pollinators.

Zone: **4a** H: 36" W: 24"

Penstemon hartwegii 'Polaris Magenta'
Beardtongue

A low growing clump of foliage is topped with bright magenta and white trumpet-like flowers on slender stems from late spring to early summer.

Zone: **6a** H: 18" W: 12"
H: 45cm W: 30cm

Penstemon hartwegii 'Polaris Purple'
Beardtongue

A low growing clump of foliage is topped with bright purple and white trumpet-like flowers on slender stems from late spring to early summer.

Zone: **6a** H: 18" W: 12"
H: 45cm W: 30cm

Penstemon hartwegii 'Polaris Rose'
Beardtongue

A low growing clump of foliage is topped with rosy-pink and white trumpet-like flowers on slender stems from late spring to early summer.

Zone: **6a** H: 18" W: 12"
H: 45cm W: 30cm

Penstemon hirsutus var. pygmaeus
Dwarf Beardtongue

Low mound of dark green leaves bearing tubular-shaped flowers that mature from mauve to light pink to white from spring to summer. Foliage turns a deep red in winter.

Zone: **4a** H: 8" W: 8"
H:20cm W:20cm

Penstemon hybrid 'Firebird'

Beardtongue

Tall panicles of bell-shaped, crimson flowers above clumps of narrow, dark green foliage. Flowers bloom from mid-summer to fall and are loved by pollinators.

Zone: **6b** H: 36" W: 24"
H:90cm W:60cm

Penstemon pinifolius

Pineleaf Beardtongue

Low, bushy mound of pine needle-like leaves with stems covered by bright orange flowers in mid-summer that attract pollinators.

Zone: **4a** H: 12" W: 18"
H:30cm W:45cm

Penstemon schmidel 'Riding Hood Hot Pink'

Beardtongue

Mounds of glossy green foliage with tall stems covered by brilliant pink blooms in summer. Low maintenance and attractive to pollinators.

Zone: **6a** H: 20" W: 20"
H:50cm W:50cm

Penstemon schmidel 'Riding Hood Purple'

Beardtongue

Mounds of glossy green foliage with tall stems covered by deep purple bell-shaped flowers in early summer. Low maintenance and attractive to pollinators.

Zone: **6a** H: 18" W: 22"
H:45cm W:55cm

Penstemon schmidel 'Riding Hood Red'

Beardtongue

Tall variety with mounding, glossy green foliage and tall upright stems covered with pink-red bell-shaped blooms in early summer.

Zone: **6a** H: 28" W:24"
H:70cm W:60cm

PEROVSKIA

Perovskia atriplicifolia

Russian Sage

Bushy, upright, clumping perennial with silvery green, divided leaves and tall spikes of rich, violet-blue flowers that bloom from mid-summer to fall. Very Fragrant.

Zone: **5a** H: 58” W: 34”
H:145cm W:85cm

Perovskia atriplicifolia ‘Blue Steel’

Russian Sage

Tall, upright mounds of fragrant, silvery green leaves topped with spikes of small, brilliant blue flowers. Blooms from early summer into late fall.

Zone: **5a** H: 34” W: 26”
H:85cm W:65cm

Perovskia atriplicifolia ‘Filigran’

Russian Sage

Very tall, narrow variety with silvery stems and powdery green, fine, divided, fragrant foliage paired with racemes of small, deep blue blooms from early summer to fall.

Zone: **5a** H: 58” W: 34”
H:145cm W:85cm

Perovskia atriplicifolia ‘Little Spire’

Russian Sage

Compact selection of upright stems covered with silvery green leaves and lavender purple blooms. Blooms from summer into late fall.

Zone: **5a** H: 28” W: 22”
H:70cm W:55cm

Palace Perennials* (*Sipkens Nurseries) A div. of 181979 Ontario Inc. P: 1-877-843-0438 F: 519-542-1079 E: sales@sipkensnurseries.com

PERSICARIA

Persicaria microcephala 'Kunming'

Fleeceflower, Langthorn's Variety

Small white flowers bloom in summer on red stems with heavily mottled silver, burgundy and dark green heart -shaped foliage.

Zones: **5b** H: 8" W: 12"
H:20cm W:30cm

Persicaria microcephala 'Red Dragon'

Fleeceflower

Three coloured heart-shaped leaves of dark green, silver and burgundy grow in a large clump with brilliant sprays of small white flowers that bloom in late summer.

Zones: **7a** H: 30" W: 36"
H:76cm W:91cm

Palace Perennials* (*Sipkens Nurseries) A div. of 181979 Ontario Inc. P: 1-877-843-0438 F: 519-542-1079 E: sales@sipkensnurseries.com

PHLOX

Phlox bifida 'Snowflake'

Sand Phlox

Compact form creating a low carpet of skinny, star-shaped white blooms in late spring and early summer. Will self seed if happy in a medium moisture, well draining area.

Zone: **4a** H: 4" W: 8"
H: 10cm W: 20cm

Phlox divaricata 'Blue Moon'

Woodland Phlox

Rich, blue-violet star-shaped flowers, with round, overlapping petals grow atop light green, clumping foliage. Flowers bloom in mid-spring atop semi-evergreen foliage. Excellent in the shade garden.

Zone: **4a** H: 12" W: 12"
H: 30cm W: 30cm

Phlox div. 'Chattahoochee'

Woodland Phlox

Brilliant blue flowers with dark purple centres sit in clusters atop deep green, spreading mounds of grass-like semi-evergreen foliage. Excellent in the shade garden.

Zone: **5a** H: 10" W: 18"
H: 25cm W: 45cm

Palace Perennials* (*Sipkens Nurseries) A div. of 181979 Ontario Inc. P: 1-877-843-0438 F: 519-542-1079 E: sales@sipkensnurseries.com

Phlox douglasii 'Crackerjack'

Moss Phlox

Mounding perennial that has bright-green pine needle-like leaves with brilliant magenta star-shaped flowers in mid-spring.

Zone: **3a** H: 4" W: 12"
H: 10cm W:30cm

Phlox paniculata 'Amethyst'

Garden Phlox

Upright form of dark-green lanceolate foliage topped with white-centered, pink blooms that appear in late spring.

Zone: **5a** H: 36" W: 24"
H: 90cm W: 60cm

Phlox paniculata 'Blue Boy'

Garden Phlox

Large, upright form of dark-green lanceolate foliage topped with mauve-blue flowers in summer.

Zone: **4a** H: 39" W: 29"
H: 100cm W: 70cm

Phlox paniculata 'Bright Eyes'

Garden Phlox

Blooms of soft, light-pink petals with dark pink centres form clumps on top of mounding green foliage in summer.

Zone: **4a** H: 29" W: 23"
H: 70cm W: 58cm

Phlox paniculata 'David'

Garden Phlox

Large, upright form of dark-green lanceolate foliage topped with clear-white flowers in summer.

Zone: 4a H: 39" W: 29"
H: 100cm W: 70cm

Phlox paniculata 'Early Purple'

Garden Phlox

Violet-purple blooms with white centres bloom in summer on clumps of dark-green, upright foliage.

Zone: **4a** H: 18" W: 14"

Phlox paniculata 'Early Red'

Garden Phlox

Brilliant star shaped flowers spread over mounds of dark green foliage in summer.

Zone: **5a** H: 18" W: 14"
H: 46cm W: 35cm

Phlox paniculata 'Early White'

Garden Phlox

Pure white blooms with yellow centres spread over mounding form of dark green foliage in summer.

Zone: **5a** H: 18" W: 14"
H: 46cm W: 35cm

Phlox pan. Flame™ 'Blue'

Summer Phlox

A dwarf variety with a bushy mound of white flowers painted with streaks of blue. Fragrant.

Zone: **4a** H: 12" W: 16"
H: 30cm W: 40cm

Phlox pan. Flame™ 'Purple'
Summer Phlox

A dwarf variety with a bushy mound of magenta flowers with purple eye zones. Fragrant.

Zone: **4a** H: 12" W: 16"
H: 30cm W: 40cm

Phlox paniculata Flame™ 'Red'
Summer Phlox

A dwarf variety with a bushy mound of dark red flowers with even darker red eye zones. Fragrant.

Zone: **4a** H: 12" W: 16"
H: 30cm W: 40cm

Phlox paniculata 'Goldmine'
Summer Phlox

Pointed, light green leaves with yellow edging contrast beautifully against the summer blooming, bright pink flowers.

Zone: **4a** H: 29" W: 29"
H:74cm W: 74cm

Phlox p. Ka-Pow® 'White Bicolor'
Garden Phlox

Tall form with excellent branching, topped with white flower clusters with bright pinkish-purple eye zones. Blooms from late spring through summer.

Zone: **5a** H: 16" W: 14"
H: 41cm W: 36cm

Phlox paniculata 'Laura'
Garden Phlox

Violet flowers with white centers bloom on dark green foliage from July to September. Very fragrant and attractive to pollinators.

Zone: **4a** H:47" W:35"
H: 18cm W: 14cm

Phlox paniculata 'Nicky'
Garden Phlox

Large, hydrangea-like flower clusters of deep magenta, bloom over lime green, upright foliage in summer.

Zone: **4a** H:36" W:28"
H:cm W:70cm

Phlox pan. 'Peppermint Twist'
Dwarf Garden Phlox

Short, bushy mound of deep green foliage with large clusters of fragrant pink and white striped petals in summer.

Zone: **4a** H: 16" W: 18"
H: 40cm W:44cm

Phlox paniculata 'Pink'
Garden Phlox

Bushy mound of dark green foliage with hydrangea-like flower clumps, great attraction for summer colour.

Zone: **4a** H: 18" W: 18"
H:44cm W:44cm

Phlox paniculata 'Purple Kiss'
Garden Phlox

Fragrant, deep purple flowers with tiny white centres bloom in summer over green foliage. Attracts pollinators.

Zone: **5a** H: 16" W: 23"
H: 40cm W: 58cm

Phlox paniculata 'Red'
Garden Phlox

Large clusters of reddish-burgundy flowers bloom in summer over deep green, compact foliage. Attracts pollinators.

Zone: **5a** H: 18" W: 14"
H: 44cm W:35cm

Phlox pan. 'Tequila Sunrise'
Garden Phlox

Deep salmon/orange blooms with dark red centre in large clusters on strong stems. Upright habit.

Zone: **5a** H: 16" W: 14"
H:40cm W: 35cm

Phlox stolonifera 'Home Fires'
Creeping Phlox

Fragrant bright pink flowers bloom in late spring to summer in clusters stop deep green, narrow leaves.

Zone: **6a** H: 10" W: 24"
H:25cm W:60cm

Phlox stol. 'Sherwood Blue'
Creeping Phlox

Low, mounding variety of pointy green foliage with clusters of purplish-blue flowers in mid to late spring. Fragrant.

Zone: **3a** H: 12" W: 12"

Phlox subulata 'Amazing Grace'
Moss Phlox

Low, mounding mats of grassy green foliage covered with pale pinkish-white flowers with purple centres in spring.

Zone: **3a** H: 6" W: 18"
H:15cm W:45cm

Phlox subulata 'Candy Stripe'
Moss Phlox

Low mound of light green, grassy foliage with skinny white flowers streaked with pink. Blooms in mid-spring.

Zone: **3a** H: 6" W: 18"
H:15cm W:45cm

Phlox sub. 'Coral Eye'
Moss phlox

Low, mounding clumps of dark green, grassy foliage covered in spring by dainty white flowers with deep pink centers.

Zone: **3a** H: 6" W: 18"
H:15cm W:45cm

Phlox sub. 'Crimson Beauty'
Moss Phlox

Low, mounding cushion of dark green, grassy foliage covered by rich, crimson red flowers in mid-spring.

Zone: **3a** H: 6" W: 18"
H:15cm W:45cm

Phlox sub. 'Emerald Blue'
Moss Phlox

Low cushion of bright green leaves covered in spring with pale blue, star-shaped blooms with yellow centres.

Zone: **4a** H: 6" W: 23"
H:15cm W:58cm

Phlox subulata 'Fort Hill'
Moss Phlox

Mounds of dark green, needle like leaves, covered by pale pink flowers with dark centers. Blooms in mid-spring.

Zone: **3a** H:6" W:18"
H:15cm W:45cm

Phlox subulata 'Lavender'
Moss Phlox

Pale, lavender-blue flowers covering low, mound forming, spreading, dark green foliage in spring.

Zone: **3a** H:6" W:18"
H:15cm W:45cm

Phlox subulata 'Pink'
Moss Phlox

Light green leaves, resembling pine needles, with star shaped pink petals with darker pink centers. Spring bloomer.

Zone: **3a** H:6" W:18"
H:15cm W:45cm

Phlox subulata 'Purple Beauty'
Moss Phlox

Compact selection with green, needle-like leaves with lavender flowers with dark centers. Spring bloomer.

Zone: **4a** H: 4" W: 10"
H:10cm W:25cm

Phlox subulata 'Red Wing'
Moss Phlox

Compact selection with light green needle-like leaves with dark pink blooms that flower mid-spring.

Zone: **3a** H: 4" W: 10"
H:10cm W:25cm

'Phlox sub. 'Ronsdorfer Beauty'
Moss Phlox

Pinkish-lavender blooms with dark pink centers bloom in spring over dark green, grassy foliage. Spreading habit.

Zone: **3a** H: 6" W: 24"
H:15cm W:60cm

Phlox subulata 'Scarlet Flame'
Moss Phlox

Low, mound of light green foliage covered with pink, star-shaped flowers that grow in a spreading form in spring.

Zone: **3a** H: 6" W: 24"
H:15cm W:60cm

Phlox sub. 'Spring Lavender'
Moss Phlox

Earliest flowering variety in spring. Pale, white flowers with hints of lavender bloom on low grassy mounds.

Zone: **3a** H: 8" W: 12"
H:20cm W:30cm

Phlox subulata 'White Delight'
Moss Phlox

Dark green foliage resembling pine-needles is smothered by white, star-shaped flowers that bloom through spring.

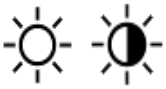
Zone: **3a** H:6" W:18"
H:15cm W:45cm

Phlox 'Woodlander Lilac'

Hybrid Phlox

A beautiful evergreen variety with a mounding form topped with large lilac coloured flowers. Woodlander Phlox perform well in both sun and part shade areas.

Zone: H: 10" W: 15"
H: 25cm W: 38cm

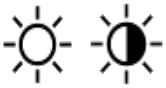


Phlox 'Woodlander Pink'

Hybrid Phlox

A beautiful evergreen variety with a mounding form topped with large pink coloured flowers. Woodlander Phlox perform well in both sun and part shade areas.

Zone: H: 10" W: 15"
H: 25cm W: 38cm

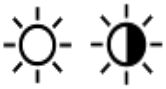


Phlox 'Woodlander Rose'

Hybrid Phlox

A beautiful evergreen variety with a mounding form topped with large rosy-pink coloured flowers. Woodlander Phlox perform well in both sun and part shade areas.

Zone: H: 10" W: 15"
H: 25cm W: 38cm



Physalis franchetti

Chinese Lantern Plant

Fruit is covered by papery orange cases resembling paper lanterns, which hang over a bushy mound of light green, pointed foliage. Spreading habit.

Zone: **7b** H: 24” W: 30”
H: 60cm W: 76cm

Physostegia virginiana ‘Autumn Carnival’

Obedient Plant

Native to North America, the Obedient plant is known for upright, floral spikes adorned turtle-head shaped blooms. This variety has purplish-pink blooms in late summer into fall.

Zone: **5a** H: 16” W: 16”
H: 40cm W: 40cm

Physostegia virginiana ‘Miss Manners’

Obedient Plant

Forms an upright clump of medium green, lance-like foliage with tall spikes of brilliant white flowers. Attracts pollinators and blooms in summer.

Zone: **3a** H: 26” W: 24”
H:66cm W:60cm

Physostegia virginiana ‘Pink’

Obedient Plant

Tall spikes of muted pink blooms rise above mounding, upright, lance-like foliage. Blooms from summer to fall and attracts pollinators.

Zone: **3b** H: 36” W:20”
H:90cm W:50cm

Physostegia virginiana ‘Summer Snow’

Obedient Plant

Large white blooms on pointy, green foliage, flower from summer to fall in a tall, compact form. Attracts pollinators.

Zone: **3b** H: 36” W: 20”
H:90cm W:50cm

Palace Perennials* (*Sipkens Nurseries) A div. of 181979 Ontario Inc. P: 1-877-843-0438 F: 519-542-1079 E: sales@sipkensnurseries.com

PLATYCODON

Platycodon ‘Astra Series Blue’
Dwarf Balloon Flower

Summer blooming buds open to single, star-shaped, deep violet flowers atop compact mounds of green, serrated foliage.

Zone: **4a** H: 10” W: 16”
H:25cm W:40cm

Platycodon ‘Astra Series Pink’
Dwarf Balloon Flower

Pale pink, almost white, star-shaped flowers with dark veining, bloom in summer on compact mounds of green, serrated foliage.

Zone: **4a** H: 10” W: 16”
H:25cm W:40cm

Platycodon ‘Astra Series White’
Dwarf Balloon Flower

Stark white, star-shaped, single flowers bloom in summer on top of compact mounds of green, serrated foliage. Great for borders and edgings in gardens.

Zone: **4a** H: 10” W: 16”
H:25cm W:40cm

Platycodon grandiflorus ‘Fuji Blue’
Balloon Flower

Mounds of pointy, green foliage topped with large, single star-shaped deep violet blooms that appear in late spring.

Zone: **4a** H: 23” W: 18”
H:58cm W:45cm

Platycodon grandiflorus ‘Fuji Pink’
Balloon Flower

Mounds of pointy, green foliage topped with large, single star-shaped, pale pink flowers that appear in late spring.

Zone: **4a** H: 23” W: 18”
H:58cm W:45cm

Platycodon grandiflorus ‘Fuji White’
Balloon Flower

Mounds of pointy, green foliage topped with large, single star-shaped, pure white flowers that appear in late spring.

Zone: **4a** H: 23” W: 18”
H:58cm W:45cm

PLUMBAGO

Plumbago larpentae

Leadwort

Low-bearing, mat-forming habit, with tiny blue, pinwheel flowers, that amass atop glossy, deep green, spreading foliage. Long-blooming from summer to fall. Foliage turns a burnished red in autumn.

Zone: **5b**

H: 12” W: 18”

H: 30cm W:45cm

Palace Perennials* (*Sipkens Nurseries) A div. of 181979 Ontario Inc. P: 1-877-843-0438 F: 519-542-1079 E: sales@sipkensnurseries.com

POLEMONIUM

Polemonium caeruleum 'Blue'

Jacob's Ladder

Mounding form of long, deep green, fern-like foliage, with tall stems topped by a cluster of blue flowers in early summer.

Zone: **3a** H: 30" W: 18"
H: 76cm W:45cm

Polemonium caeruleum 'Blue Pearl'

Jacob's Ladder

Lavender-blue flowers bloom in late spring on tall, slender stems above deep green, ferny foliage. Compact habit.

Zone: **4a** H: 30" W: 18"
H:76cm W:45cm

Polemonium caeruleum 'White'

Jacob's Ladder

Clusters of white, star-shaped flowers bloom in late spring on tall stems above compact mounds of green, ferny foliage.

Zone: **4a** H: 30" W: 18"
H:76cm W:45cm

Polemonium yezoense 'Purple Rain'

Purple Leaf Jacob's Ladder

Fern-like, purplish-black foliage that matures to a medium green, grows in compact mounds and bears tall stems of light purple flowers in late spring.

Zone: **4b** H: 22" W: 18"
H: 55cm W:45cm

POLYGONATUM

Polygonatum biflorum var. commutatum

Solomon's Seal

Tall, tuberous stems with long, narrow leaves produce small white, hanging bell-shaped flowers from spring to early summer. Foliage matures to a bright yellow hue in fall.

Zone: **4a** H:46" W: 34"
H:116cm W:86cm

Polygonatum multiflorum

Eurasian Solomon's Seal

Upright and compact form of powdery green, lance-like foliage, with arching stems covered by small, white bell-shaped flowers in late spring.

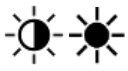
Zone: 3a H: 30" W: 10"
H:76cm W:25cm

Polygonatum multiflorum 'Giganteum'

Eurasian Solomon's Seal

Large variety with thick, tall, arching stems and powdery green foliag in a mounding and upright habit. White bell-shaped flowers hang in clusters in late spring.

Zone: **3b** H: 40" W: 28"
H:100cm W:70cm

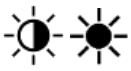


Polygonatum multiflorum 'Variegatum'

Eurasian Solomon's Seal

Pinkish-red, arching stems rise above green, pointy foliage edged in creamy white. Whitish-green bell-shaped flowers appear in late spring.

Zone: **3a** H: 26" W: 24"
H:66cm W:60cm



POLYGONUM

Polygonum affinis 'Pink Jewel'

Fleeceflower

Pinkish red flower spikes rise upright on tall stems above medium green, pointy, narrow foliage. Flowers appear in late spring through to end of summer.

Zones: **6a** H: 12" W: 10"
H:30cm W:25cm

Polygonum bistorta 'Superbum'

Fleeceflower

Low, compact habit of large silvery-green leaves surrounding upright, tall, slender stems bearing spikes of fluffy, pale white flowers in spring and summer.

Zones: **6a** H: 12" W: 10"
H:30cm W:25cm

POTENTILLA

Potentilla aurea

Dwarf Yellow Cinquefoil

Low bearing, mat-forming habit with dark green, fern-like leaves and slender stems covered with masses of small yellow flowers from mid-spring to late summer.

Zone: **6a** H: 6” W: 10”
H:15cm W:25cm

Potentilla nepalensis ‘Miss Willmott’

Nepal Cinquefoil

Mat forming, spreading habit of dark green, strawberry-like foliage with masses of rosy-pink flowers blooming all summer long.

Zone: **3a** H: 18” W: 23”
H: 45cm W:58cm

Potentilla neumanniana ‘Nana’

Alpine Cinquefoil

Great for rock gardens, this mat forming selection is very low bearing with dark green, strawberry-like foliage and small yellow flowers blooming in late spring. Occasionally re-blooms in fall.

Zone: **4a** H: 4” W: 12”
H:10cm W:30cm

Palace Perennials* (*Sipkens Nurseries) A div. of 181979 Ontario Inc. P: 1-877-843-0438 F: 519-542-1079 E: sales@sipkensnurseries.com

PRIMULA

Primula bulleyana

Primrose

Whorls of golden yellow flowers bloom in summer on tall, sturdy stems rising from medium green leaves, which form a compact habit. Foliage is semi-evergreen. Flowers attract bees.

Zone: **5a**

H: 24” W: 8”

H:60cm W:20cm

Palace Perennials* (*Sipkens Nurseries) A div. of 181979 Ontario Inc. P: 1-877-843-0438 F: 519-542-1079 E: sales@sipkensnurseries.com

PRIMULA

Primula beesiana
Candelabra Primrose

Layers of flowers bloom in late spring on top of tall stems rising from mounds of rippled, medium green foliage.

Zone: **5a** H: 24” W: 24”
H: 60cm W:60cm

Primula cortusoides
Siberian Primrose

Low rosette of ruffled, green leaves with small star-shaped, purple-lavender flowers blooming in mid-spring.

Zone: **4a** H: 10” W: 12”
H:25cm W:30cm

Primula denticulata
Drumstick Primrose

Large mounds of upright green leaves with tall stems rising to hold whorls of purple, violet, or white flowers that bloom in early spring.

Zone: **3a** H: 12” W: 12”
H:30cm W:30cm

Primula elatior
True Oxlip

Tall stems over an upright mound of thick, ruffled green leaves. Clusters of nodding, pale yellow trumpet-shaped flowers appear in late spring.

Zone: **5a** H: 12” W: 12”
H:30cm W:30cm

Primula elatior ‘Colossea Mix’
True Oxlip

Low rosettes of rounded, thick green leaves surround tall stems topped with a mixture of yellow, pink or purple whorls of flowers that appear in spring.

Zone: **5a** H: 10” W: 12”
H:25cm W:30cm

Primula elatior ‘Silver Lace Black’
Silver-laced Primrose

Small, unique blooms with yellow centers and white edged, burgundy-black petals hover in clusters over light green, textured foliage. Spring bloomer.

Zone: **6** H: 8” W: 12”
H:20cm W:30cm

Palace Perennials* (*Sipkens Nurseries) A div. of 181979 Ontario Inc. P: 1-877-843-0438 F: 519-542-1079 E: sales@sipkensnurseries.com

Primula polyantha 'Marie Crousse'
Double English Primrose

Deep lilac-pink double blooms edged in silver appear in spring over thick, bright green foliage.

Zone: **5a** H: 6" W: 8"
H:15cm W:20cm

Primula polyantha 'Purple'
Purple Primrose

Bright pinkish-purple blooms with sunny yellow centers appear in spring over medium green, rounded leaves.

Zone: **5a** H: 8" W: 8"
H:20cm W:20cm

Primula polyantha 'Red'
Primrose

Brilliant red clusters of flowers with small yellow centers appear in spring on medium green foliage.

Zone: **5a** H: 8" W: 8"
H:20cm W:20cm

Primula polyantha 'Supernova Blue'
Primrose

Clusters of deep blue blooms with bright yellow centres bloom in spring on lush, green foliage.

Zone: **5a** H:6" W:8"
H:15cm W:20cm

Primula polyantha 'Supernova Pink'
Primrose

Bright pink petals with yellow centres and a tiny white edging bloom in spring on lush, green foliage.

Zone: **5a** H:4" W:6"
H:10cm W:15cm

Primula polyantha 'Supernova Red'
Primrose

Burnt red blooms with sunny yellow centres bloom in spring on top of deep green foliage.

Zone: **5a** H:4" W:6"
H:10cm W:15cm

Primula polyantha 'Supernova Yellow'
Primrose

Buttery yellow blooms gracefully adorn deep green foliage in spring creating great color contrast.

Zone: **5a** H: 4" W: 6"
H:10cm W:15cm

Primula polyantha 'Yellow'
Primrose

Clusters of buttery yellow blooms pop through medium green foliage in spring. Great colour contrast.

Zone: **5a** H: 8" W: 8"
H:20cm W:20cm

Primula polyantha 'Wanda'
Primrose

Purple blooms with small yellow centers appear in spring and form clusters over thick, rounded, green foliage.

Zone: **5a** H:8" W:8"
H:20cm W:20cm

PRIMULA

Primula pubescens
Auricula Primrose

Unique variety with rosettes of thick, waxy leaves topped by whorls of reddish-burgundy blooms with pale yellow centers that appear in spring.

Zone: 3a H: 8" W: 8"
H:20cm W:20cm

Primula veris 'Sunset Shades'
Hybrid Primrose

Large headed blooms in shades of yellow, orange and red, appear in mid-spring atop medium green foliage.

Zones: **4a** H: 8" W: 12"
H:20cm W:30cm

Primula vialli
Chinese Pagoda Primrose

Tall upright stems shoot from the low foliage with rocket-shaped spikes of violet to bright red flowers in spring.

Zones: **4a** H: 18" W: 8"
H:45cm W:20cm

Primula vulgaris 'April Rose'
Double English Primrose

Double rose-like blooms of brilliant pink sit above low mounds of medium green foliage. Early spring bloomer.

Zone: **4b** H: 6" W: 8"
H:15cm W:20cm

Primula v. 'Mix Selection'
English Primrose

A brilliant mix of flower clusters that bloom in early spring on leathery green leaves.

Zone: **4b** H: 6" W: 8"
H:15cm W:20cm

Primula v. 'Poly Blue'
English Primrose

Bright blue flowers with yellow centers bloom in spring over the medium green foliage giving great colour for rock gardens or edging.

Zone: **5a** H: 6" W: 8"
H:15cm W:20cm

Primula vulgaris 'White'
English Primrose

Pure white flowers with golden yellow centers bloom in spring over low rosettes of medium green foliage. Great in rock gardens.

Zone: **5a** H: 6" W: 8"
H:15cm W:20cm

Primula vulgaris 'Yellow'
English Primrose

Lovely yellow flowers bloom in spring over low rosettes of medium green foliage. Great in rock gardens.

Zone: **5a** H: 6" W: 8"
H:15cm W:20cm

PRUNELLA

Prunella grandiflora ‘Alba’

Self Heal

Compact habit with dark green oak-like leaves with short spikes holding hooded white flowers in summer. Known as a ‘cooling herb’ in Chinese medicine.

Zone: **5a** H: 10” W: 20”
H:25cm W:50cm

Prunella grandiflora ‘Blue Loveliness’

Self Heal

Low growing, mat forming, semi-evergreen foliage with spikes of hooded, pale violet flowers in summer. Great as ground cover.

Zone: **5a** H: 10’ W: 20”
H:25cm W:50cm

Prunella grandiflora ‘Rosea’

Self Heal

Dark green foliage growing low to the ground and pale, rose-coloured, hooded blooms rising on short spikes above the foliage in summer.

Zone: **5a** H: 10” W: 20”
H:25cm W:50cm

Palace Perennials* (*Sipkens Nurseries) A div. of 181979 Ontario Inc. P: 1-877-843-0438 F: 519-542-1079 E: sales@sipkensnurseries.com

PULMONARIA

Pulmonaria angustifolia

Lungwort

Mound forming, clumping habit with hairy dark green, mottled leaves. Blooms are funnel-shaped purple and pink, appearing in early spring.

Zone: **4a** H: 12” W: 24”
H:30cm W:60cm

Pulmonaria longifolia ‘Cevennensis’

Lungwort

Long, narrow, dark green leaves, with silver spots contrast with clusters of light blue tubular-shaped blooms in early spring.

Zone: **4a** H: 18” W: 24”
H:45cm W:60cm

Pulmonaria saccharata ‘Berries & Cream’

Lungwort

Multi-colored, trumpet-like blooms in pink and violet hues bloom in spring on medium green, narrow leaves with silver spots.

Zone: **4a** H: 10” W: 18”
H:25cm W:45cm

Pulmonaria saccharata ‘Excalibur’

Lungwort

Long, narrow leaves of medium green with silver spots contrast with rosy pink and purple bloom clusters appearing early in spring.

Zone: **4a** H: 12” W: 24”
H:30cm W:50cm

Pulmonaria saccharata ‘Mrs. Moon’

Lungwort

Stunning, mottled foliage of lime and dark green with a silver overlay contrast nicely with light pink buds that open to a pinkish-blue in spring.

Zone: **3b** H: 12” W: 24”
H:30cm W:50cm

Pulmonaria saccharata ‘Sissinghurst White’

Lungwort

Dainty white flower clusters appear in spring on top of short, rounded layers of light green, fuzzy leaves with silver spots.

Zone: **3b** H: 12” W: 24”
H:30cm W:50cm

PULSATILLA

Pulsatilla vulgaris

Pasque-flower

Crocus-like, royal purple flowers covered in a soft down with feathery, dark green low bearing foliage. Great for rock garden interest. Bloom in early spring.

Zone: **3a** H: 12” W: 12”
H:30cm W:30cm

Pulsatilla vulgaris ‘Red’

Pasque-flower

Low bearing, feathery, medium green foliage, topped with bright red, star-shaped blooms with yellow centers that appear in spring. Great for rock gardens and border edgings.

Zone: **3a** H: 12” W: 12”
H:30cm W:30cm

Pyrethrum coccineum ‘Robinson’s Single’

Painted Daisy

Fine, ferny foliage with tall stems bearing bright crimson, white or pink daisy-like flowers with yellow centers. Great colour and attraction for the border or in containers. Flowers bloom in summer.

Zone: **5a**

H: 26” W: 14”
H:66cm W:35cm
