Community Venues List

Are you looking for a space to hire in Wakefield District? Well, this is the list for you!

Many local voluntary, community and social enterprise organisations have rooms available where you can have meetings, groups or events. Choosing to hire their spaces is a great way to support these organisations that make such a positive impact across Wakefield District, and many of them rely on the income from bookings to keep providing services.

If you require specific information on any of the venues listed below, please contact the organisation directly using the details provided and they will be able to assist you.

We keep the list as up to date as possible, however we apologise for any errors or organisations missing from the list. If you would like to amend any details or add your venue to the list, we'd be happy to do so, contact us at info@nova-wd.org.uk or call 01924 367418.

If you would like the list in a different format, please get in touch using the details above.

You'll find a contents list of areas on Page 2 and a list of venues from Page 3 to Page 30.
