Re: The New American Citizenship Fund

Dear President Rosas,

I am the president of UFCW Local \_\_\_\_\_. It is with great pleasure that I write this letter in support of \_\_\_\_\_. She/he/they has/have been a member of local \_\_\_\_\_ for \_\_\_\_\_ years. He/she/they is/are a member in good standing and have committed to volunteer a minimum of 10 hours to our Local. I am proud to support their application to the New American Citizenship Fund and welcome the opportunity to count a member of our local as a “New American” in our Union and in our community. We request your consideration for the \$600.00 New American Citizenship Fund on behalf of \_\_\_\_\_.

Sincerely,

[UFCW Local President Signature]
