DATAVIZION

OUR PEOPLE MAKE *IT* HAPPEN
WE WILL PROVE *IT*!

Managed Service Provider

Your success is our guarantee.
VizionCare Complete

Who We Are:

DataVizion, LLC has been the **leading** provider of **IT Security** and **Managed IT Services** for businesses in the Midwest for 20 years. Our team of network engineers develops **end-to-end IT solutions** to **optimize performance** and ensure **network and data security** for your business. Our goal is to maximize your business productivity with **tactical planning**, early **detection**, proactive solutions, and **regular maintenance**.

Why Choose Us?

- ☑ Customized IT solutions for today and tomorrow.
- ☑ Increased end-user productivity and success.
- ☑ Enhanced monitoring and security packages.
- ☑ Diversified experience across a broad team of engineers.

SERVICES

Mobility Solutions

We manage the complexities of advanced wireless infrastructure and simplify them into support strategies that optimize your users and your business.

Service Desk

Our team brings both talent and experience to handling requests and incidents. The Service Desk resolves more than 99% of tickets without escalation (24/7/365).

Business-Centric Relationships

BRUNING BANK

'DataVizion has provided **exceptional service**, combined with valuable **expertise** and experience. **We have been with the company since their inception 20 years ago**. We highly recommend DataVizion.'
- Jerry Catlett, Bruning Bank
