

WWF UKRAINE

Ukrainian branch of World Wide Fund for Nature

PROJECT DETAILS:

Client: WWF Ukraine

Contact person: Mariia Maksymenkova, Digital Communications Officer

Services: Front-end development on Webflow

June—July 2022

REVIEW:

It was pleasant and productive to work with the VVMD Team. We quickly got the result we agreed on. I really appreciate that the guys from the team are ready to answer any of our questions and support us throughout the project. I would also like to note a very candid approach to work and their sincerity in the creation processes. Overall, I've got a very positive experience working with VVMD.
