THE SPACE

Wander up a flight of stairs in one of Melbourne's most iconic laneways and discover our hidden loft.

Set in a historic 1860's gem, beneath Ferdydurke's bluestone facade lies an intimate New-York style loft, grand arch windows and a panoramic view of one of Melbourne's most iconic laneways.

We've hosted corporate functions, birthdays, launch parties and even weddings in our unique space.

Ask us how we can help keep your guests' glasses topped to the brim, hearts content and feet on the dancefloor all night.
