

AI Video Checklist

Are you leveraging all the possibilities of AI video in your projects?
Let's find out! Check the box next to each action you have completed.

-  Turned a PDF or a presentation into a video
-  Translated a video into another language
-  Used two avatars in a scene
-  Added a new pronunciation for a word
-  Animated an object using Animation Markers
-  Made a video from a template
-  Invited a teammate into a workspace
-  Left a comment under someone's video
-  Used a hand gesture in a video
-  Wrote a script with the AI script assistant
-  Selected a favourite voice
-  Saved a "Scene layout" for future videos
-  Showcased an AI video to an audience
