ART BASEL WEEKEND

USA Breakin' mission is to preserve the American Hip-hop Culture and continue to develop a Dance Sport that allows all socio-economical classes a fair opportunity to compete on the world's largest stages.

These Dancers also known as B-Boy's or B-Girl's, have a chance to be the USA Breakin' Global Ambassadors. Earning their stripes and showcasing their skills for the Country!

The National Championship will take place during the world famous Art Basel in Miami, Florida December 3-4th. With workshops, panels, competition, and after parties.

Our celebrity guests will be on hand to perform, judge and join in the festivities. An array of clothing and food vendors will be open to the patrons!!

This will be an amazing platform to witness the growth of this youth-filled new Olympic Dance Sport. We would like to help the NEXT generation of Break Dancers in our country, to earn a chance to compete in the Olympic games in Paris, 2024 and we are seeking your support.

Special Guest Performer
The Legendary MC Supernatural

Mentorship

We plan on solving this issue by providing mentorship from experienced event mentors from our community to help teach the youth in the areas positive relationship building and networking.

Support

With your partnership we will be able to provide the funding necessary to help local non-profit organizations such as No Easy Props, Denver DJ School, The Latina Safe House and GRASP .

Hearts and Minds

In return we will open the doors to this demographic of youth, teens and young adults in a community and culture they love and they will associate you with this event.
