Experience

Website Team Lead, SJSU Graphic Design Senior Show

MAR 2022–
JUN 2022

- * Lead a team of 6 designers that conceptualized, built, and launched a responsive website for SJSU's 2022 senior show
- * Pitched cost-effective web domain and hosting to the project manager, which saved over \$100 for the overall show budget
- * Presented weekly progress to management, branding, social media, film-making, documentation, and exhibition teams

Student Assistant, Data+AI+Design

DEC 2020–
MAR 2021

- * Conceptualized, built, and launched a responsive website for a series of lectures and workshops from professionals in fields of data, AI, and design. Worked closely with another designer
- * Created a brand identity and promotional materials: a catalog book, a poster, and flyers for email, Facebook, and Instagram
- * Managed archival materials from over 40 projects across 6 different events. Compiled images, videos, and wrote copy

Graphic Design Intern, SJSU Design Department

NOV 2020–
DEC 2020

- * Created a Design Department brand identity based on existing SJSU branding. Worked closely with 28 other designers
- * Contributed 3 spread pages for a Design Department book targeted towards prospective students and their parents
- * Presented progress to chairs of Animation and Illustration, Graphic Design, Industrial Design, and Interior Design
