Tampa, FL (March 12, 2021) – Tampa Bay’s first extended-stay Hyatt House property, [Hyatt House Tampa Airport Westshore](#), celebrated its official opening yesterday with a ribbon cutting ceremony and opening remarks from hotel leadership, Mayor Jane Castor, and Visit Tampa Bay President & CEO Santiago Corrada. Boasting 145-rooms and more than 6,100+ sq. ft. of meeting space, the all-new hotel, which neighbors Tampa International Airport and is owned and managed by Tampa-based [McKibbon Hospitality](#), softly opened on January 21, 2021, in Tampa’s Westshore Business District.

Guests can enjoy the hotel's modern accommodations with separate spaces to work and relax as well as full kitchens with ingredients available in the 24-hour market. Amenities including free Wi-Fi, complimentary grab-and-go breakfast, a 24/7 workout room, on-site laundry options, as well as pet-friendly accommodations, will ensure a comfortable stay with peace of mind and a true home-away-from-home experience.

In addition to its expansive meeting and event space offerings, guests and locals alike can cozy up to the hotel's H Bar, offering craft cocktails and light bites. Just outside, an inviting pool deck adorned with outdoor seating and firepits awaits with ample opportunity to relax and unwind in the Florida sunshine. The work of over a dozen local artists displayed throughout the hotel's guest rooms and public spaces add a unique, local flair to the space, including a Tampa-themed mural surrounding the outdoor heated pool by the Vitale Brothers, an eye-catching intricately handwoven rope wall by Moss Hound Designs, and more.
