Aside from what you do for work, when you think of the digital creative activities you do in your personal time or as a hobby, what motivates you? *(Please select up to 3 answers)**

Creating just for the pleasure of creating

Contributing to a charity or cause I believe in

Getting recognition from others

Expressing my opinion

Developing my career opportunities

Learning to do something new

Gaining followers and becoming well-known publicly

Increasing my income

Connecting with other people who share my interest

Mastering a skill

I don't have any creative projects outside of work
