Registration

How do I register to play at Torquay?

Our senior registration and payment process is entirely online. Please read the information in this document and pay your online subscription via PlayCricket

1.

I cannot login to my MyCricket account when trying to register or I don't know my MyCricket ID or password.

Email the [Club Secretary](#). We can send you a reminder email and/or unlock your account.

I played for a different club last season. Can I still register with Torquay?

If you have played for a different club in previous years you should apply to us to transfer/clear your registration to Torquay. You can still register with Torquay however you must be transferred and/or cleared from the club you previously played. We will organise your transfer/clearance and contact you when this process has been finalised.

How much is senior registration?

Senior mens registration has two options. For senior men the registration cost is \$350.00. We offer a six game hard wicket option for players who wish to only play lower grade cricket \$200. This cheaper registration acknowledges the reduced cost associated with fewer games and costs associated with maintaining the turf facilities. Full time students, upon providing appropriate documentation, also qualify for a reduced \$200 membership fee. Juniors who play senior cricket do not pay a further levy and this is covered in their junior registration costs.

Senior women registration is one flat fee of \$150.00 which acknowledges that senior women play fewer games than mens cricket.

How does Torquay's subscription fee compare to other local clubs and what do I get?

Our subscription fee compares very well with other clubs (other clubs can charge anywhere from \$400 to \$600). The fee covers most costs of playing cricket at Torquay including affiliation and insurance. Umpire match fees and tea contributions are not included in the registration fee and must be paid to the team captain or his/her nominee on match day.

Must I register/pay to play?

All players must be registered to play, and registration can only be completed by paying in full. Individuals who have not registered and paid in full at least 48 hours prior to selection night will not be eligible for selection.

Do I have to register online?

Yes, as it cuts down our administrative overhead and doing so is much quicker, and far easier. Further, it ensures your MyCricket information is up-to-date.

Can I register online but pay separately/manually (direct to club)?

No, payment must be online. This gives us an audit trail and cuts down our overhead.

What forms of payment can I use for online registration?

You can use your debit or credit card to pay online. Payment by credit/debit card is easy and instant.

Do I have to pay additional fees/charges for online registration?

No, your registration fee is all you pay. Although the club pays a transaction fee for use of the payment facilities, we have decided to absorb this for now.

Is the online registration and payment process secure?

Yes, both personal data and all payment information are encrypted using SSL (Secure Sockets Layer).

Can I pay my subscription fees over time (payment plan) and does online registration and payment cater for this?

This season your membership must be paid online and in full at time of registration. As the Club has made registration payments available at least two months prior to the commencement of the season, we will not be providing payment plans this season.

Team selection

Please refer to the Senior Selection policy document which outlines our Club's policy in regards to selection.

Training and games attire

What clothing do I need for training?

We would prefer players to wear a white cricket shirt (polo) or similar top and dark shorts / track pants and runners. Occasionally spikes are required for training when the ground is wet/slippery.

What clothing do I need for playing?

Long white cricket pants, white cricket shirt (polo) and spikes. A cricket hat (wide brim or cap) as well as sunscreen is also advisable. As our seniors play on turf spikes are advisable for the summer competition.

Where can I purchase clothing?

This season all new club clothing (shirts, pants, caps etc.) will need to be purchased online, this will see the same uniforms being worn across the entire club.

The online store is live at the link below. There is a monthly order cut-off date so please order now if you are a new player or need a new shirt. It does take 4 weeks after the cut-off for delivery so if you need a new shirt or white pants for the start of the season please order before the 30th.

Training information

When/Where is training?

Pre-season training

Generally senior teams commence pre-season training early August. Keep an eye on the [TORQUAY CC website AND Facebook page](#) for a schedule of pre-season dates/times.

Summer season training

Our senior teams generally train together twice a week on Tuesdays and Thursdays at Spring Creek Reserve (commencing late September). Keep an eye on the [Torquay CC website](#) for a schedule of training dates/times.

Social functions

Does the club have social functions?

Plenty. Keep an eye on the website, and keep your contact details up-to-date. We have many club functions during the season that we encourage all our members to attend.

Can't find the answer you're looking for?

If you cannot find an answer to your question, then please submit your query to the [Secretary](#). We will answer your query as quickly as possible.
