

IQTEC IS LOOKING FOR

# Portfolio Manager

Ematiq's spinoff IQTEC is looking for new members of its growing crypto hedge fund team! As a Portfolio Manager at IQTEC, you'll play a pivotal role in our young and dynamic crypto hedge fund team, responsible for driving investment strategies and managing the performance of our diverse cryptocurrency portfolio.

## What will you do

- Overseeing the investment portfolio.
- Conducting in-depth research, analysis, and due diligence on potential investments, identifying opportunities for growth and managing risk.
- Monitoring market trends, evaluating performance metrics, and making data-driven investment decisions.

## What we expect from you

- Strong understanding of cryptocurrencies, blockchain technology, and the broader digital asset landscape.
- Solid knowledge of investment analysis, risk management, and portfolio optimization techniques.
- Exhibited ability to make strategic investment decisions to deliver solid returns while managing risk.
- Demonstrated commitment to continuous learning and professional growth.
- Excellent communication, teamwork skills, high level of integrity and ethical conduct.

## What is nice to have

- Knowledge of various crypto trading strategies (long/short, arbitrage, MEV,...).
- Strong communication and presentation skills.
- Experience in conducting due diligence on crypto projects and/or regulatory compliance requirements for crypto funds.
- Active participation in the crypto community, such as attending conferences, contributing to industry publications, or similar

## What we offer back

- An exciting opportunity to be part of a young and ambitious crypto hedge fund team, working at the forefront of the rapidly evolving crypto market.
- The chance to manage a diverse portfolio of crypto assets and actively contribute to investment strategies.
- A collaborative and entrepreneurial work environment that encourages innovation and personal growth.
- Competitive compensation package, including salary, performance-based bonuses, and potential profit-sharing opportunities.
