COUNTERTOP & ACCESSORIES

Challenger Designs cabinets work with a multitude of countertop options including aluminum, granite, or concrete.

We also offer accessories such as toe-kicks, sinks, towel bars, mobile island bases, and more.

OPTIONS

COLOR CHOICES

Challenger Designs offers off-the-shelf standard layouts, as well as a full catalog of cabinet modules to create customized options. We offer widths from 12" to 66". Cabinet options include drawer bases, door and drawer bases, sink bases, bar seating, and more.

COUNTERTOPS

CUSTOM KITCHEN

Transform an underutilized outdoor area into the gathering and cooking space of your dreams! Home cooks and barbecue enthusiasts appreciate the fine craft and durability provided by the leading outdoor cabinet maker in the USA. Challenger Designs' cabinets are all aluminum, rust free, and feature a durable powder-coated finish for low maintenance that lasts a lifetime.

STANDARD DOOR

Flat panel doors are some of the most popular today. Their simple style fits many design schemes. The standard doors work well for traditional, transitional, and even contemporary looks. For those who prefer sleek, clean design, our standard flat panel cabinet doors are a favorite option.

SHAKER DOOR

Shaker doors transcend trendiness, with enough detail to provide depth and interest. They are appreciated by traditionalists and modernists alike, and they are easy to maintain. Their affordable mid-range cost adds even more appeal for the discerning customer.

CUSTOM LAYOUTS

WEATHERTIGHT, WATERPROOF STORAGE

All Challenger Designs kitchen cabinetry features sealed doors and drawers to ensure weathertight, waterproof storage. For the appliance cabinets that require ventilation, our design team has skillfully constructed these pieces to eliminate water entry.

Our durable powder-coated drawers are easy to clean and provide a great place to store grilling tools year-round. All cabinets have finished back panels, and finished side panels (when specified) at no additional cost.

Textured White Cabinets, Marble Top

MATCH YOUR APPLIANCE

Each grill, refrigerator, or sink cabinet is built according to the manufacturer's specifications to ensure a perfect fit, every time.

ACCESSORIES

20" Towel Bar Handle

Chrome finish, multi-purpose, easily applied to cabinet sides/fronts.

Countertop and Backsplash

Comes in 304 Stainless Steel or Powder-Coated Aluminum.
