(same pic) EDGAR BERGEN CHARLIE WHAT'S THE MATTER , DON'T YOU FIND THE BAUHAUS Inspiring? They did fine art , applied arts, architecture and truly believed that changing our build **environment** we could better our souls and the world

Charlie MCarthy, This "bettering our souls" is all fine and good and I liked the Russian revolution , but the Bauhaus, that's a no go

you,  
possibly,  
will inquire about me too.

And, possibly, your scholars  
will declare,  
with their erudition overwhelming  
a swarm of problems;  
once there lived  
a certain champion of boiled water,  
and inveterate enemy of raw water.

Professor,  
take off your bicycle glasses!

Charlie McCarthy In a Revolution you get to break  
windows , storm palaces, pull down statues and maybe,  
get laid.If it doesn't work in 1905 , you try later,say 1917.  
With these Bauhaus guys everything will have to run on  
time .And It's a school! Just look at those guys, they're  
gonna force you to read books

(same pic)W.C. FIELDS Get Laid, BE CAREFUL HOW HARD  
YOU RUB THAT LITTLE TWIG OF YOURS WHITLING WOOD. IF  
YOU DON'T WATCH YOURSELF YOU'LL BURN DOWN BOTH THE  
RED AND BLACK FOREST

CHARLIE MCCARTHY Fields,you're usually so blind drunk that if  
it wasn't for Johnny Walker you couldn't tell the difference  
between red and black

(same pic)Marlene Dietrich Charlie, go ahead an get an  
education! I read Goethe, Sang with Kurt Weill and shot dice  
with Fritz Lang and Thea Von Harbeau .That's what I call a liberal  
education

Charlie McCarthy ummmmmmm

Profile pic Fritz Lang

Fritz Lang No Charlie, Just M and Thea was not exactly liberal

Edgar Bergen Fritz Lang was a great poet

(same pic) Sigmund Freud Everywhere I go I find the poet has been there before

same pic) Edgar Bergen Charlie, you always amaze me! You're friends with Sigmund Freud, the inventor of *psychoanalysis*. How did that come to be?

(Same pic) Charlie McCarthy Well Bergen, if you must know the truth, I thought as long as I was going to let someone put words in my mouth without them seeming to say a single thing, I should go right to the 'horse's mouth'.

(same pic) Gustave Flaubert Everything one invents is true, you may be perfectly sure of that. Poetry is as precise as geometry

Sigmund Freud He that has eyes to see and ears to hear may convince himself that no mortal can keep a secret. If his lips are silent, he chatters with his fingertips; betrayal oozes out of him at every pore.

I'd prefer reading at the Getty , a better view and landscaping to boot, but they wouldn't let me enter with my ipad. The Getty is strictly Android

(same pic) William Faulkner I had the same problem with my Mont Blanc fountain pen. They told me they were a ballpoint only environment

Charlie McCarthy All this food for thought makes me hungry , but the food here is lousy and expensive . Can you believe it, Cupcakes and no Donuts?

(Same pic)Nora Charles Cupcakes are the new muffins and I didn't like muffins and dare not serve a cupcake to Asta. He's strictly east coast, bagel ,poppyseed,fresh,

warm not hot ,never toasted ,cream cheese with chives  
on the side

(same pic)Nick Charles I'll pass on cupcakes til they go  
truffle, spiked

(same pic) Harry Cohn You couldn't do the carryout  
Kichel from Cantors?

(same pic) Charlie McCarthy they charge double for  
Kichel carryout cause they say,"it's fragile, we're going  
to have to bubble wrap it"

(same Profile pic)Joseph Stalin When we hang the  
capitalists they will sell us the rope we use

Bertolt Brecht I wish I had said that

Charlie McCarthy I never should have switched from scotch to martinis

Edgar Bergen Charlie ,what happened? You were reading and learning about culture and now this.....Throwing yourself in the LACMA pool , what were you thinking?

Charlie McCarthy Well I was reading about the activation of public space in utopias and...

Edgar Bergen Utopias my eye! You were drinking again with Bill Fields !Throwing yourself in the water like that and fully dressed,ipad and all ! What utopia is that?

Charlie McCarthy Anita Ekberg in La Dolce Vida. Now that's what I call Utopia , a bit tawdry, but utopia

Edgar Bergen You could have drowned

(Same pic) Mellisand Scott "If a man is destined to **drown**, he will **drown** even in a spoonful of water"

Charlie McCarthy If I woulda drowned I could have said those lines Bill Holden says from the opening of **Sunset Boulevard** , "The poor dope - he always wanted a pool. Well, in the end, he got himself a pool. "

Edgar Bergen Charlie, You can't talk once you've drowned!

Charlie McCarthy Oh yes you can ! Didn't you see the movie, Voice Over ! And Bergen, what are you here for anyway?
