

Credit Guide

This Credit Guide gives you information about the credit we provide and about the credit assistance that we may provide for a loan.

Who is 2Be?

This is the Credit Guide of 2Be Finance Pty Ltd (2Be) ABN 37 647 505 422. 2Be is a credit provider and holder of Australian Credit Licence number 533319 under the *National Consumer Protection Act 2009* (the Act).

This Credit Guide contains important information about 2Be and our obligations under the Act. In this Credit Guide, “we,” “our” and “us” means 2Be.

Our obligations before providing credit to you

Is the loan right for you?

When you ask us for credit or a credit limit increase, or when we provide credit assistance to you, we will make an assessment to determine whether the credit or credit limit increase you are seeking is not ‘unsuitable’ for you. We will not provide you with credit, increase your credit limit or provide credit assistance to you if we assess that the loan contract is unsuitable for you because:

- of the value of your property when compared to the value of your loan (where the credit contract relates to a reverse mortgage);
- it is likely that you won’t be able to pay or only pay with substantial hardship; or
- it doesn’t meet your requirements or objectives, including meeting your future needs.

Can you ask for a copy of the assessment?

If we approve your loan, or provide credit assistance to you, we will give you a free copy of our assessment upon request. If you need a copy in the future, just let us know and we will send you a copy.

Fees, charges and commissions

Does 2Be pay any referral fees where it acts as credit provider?

In some cases, you may have been referred to us by a broker or third party. When this is the case, we pay referral fees to the broker or third party who referred your application. You can contact us to request a reasonable estimate of what is paid and how it is worked out. This information is available at no cost.

Do fees apply for obtaining credit assistance?

We do not impose any fees or charges for providing credit assistance to you.

Does 2Be receive any indirect remuneration for providing credit assistance?

We may receive indirect remuneration (which may include commissions, monetary and non-monetary benefits) from other credit providers for providing credit assistance. The amount we receive in relation to any particular

loan contract depends on the credit provider, the amount of the loan and the terms of the loan.

You can contact us to get further information about how these amounts are calculated and request a reasonable estimate of the amount. This information is available at no cost.
