

DEPARTMENT / PROJECT MANAGER BENEFITS:

~COMPLETE & CENTRALIZED

If you wear multiple hats and you are not a safety professional by trade, you don't have time to become a safety expert or train others on how to use complicated and confusing safety software. Department and project managers who use OSHIFY signed up for the following reasons:

1. Ease of use
2. Simple enough for employees to use
3. Least time consuming of other safety apps they tested
4. Best user experience
5. Centralized - Everything in One Place
6. Includes safety tools AND safety content
7. Does NOT require employees to have a login
8. Includes user training by OSHIFY
9. Works on all mobile devices
10. Includes dedicated account manager and an OSHIFY safety consultant

In short, safety doesn't get done when it's complicated or time consuming. So we made it simple and fast.
