WHAT IS GENYEN?

VISION AND MISSION

Vision

The crypto sphere is primed for new whitespaces ready to be capitalized. \$GEYEN acts as a way to securely level the playing field by distributing rewards to investors.

Mission

Provide a transparent, profitable, and longevity-oriented token dedicated to generating rewards for investors.

HOW DOES GENYEN WORK?

Dedicated Treasury

In order to provide liquidity at pivotal moments, and to support the aggregation of funding to multiply our pool, the treasury is the heart of our token. 3% of each transaction is allocated.

Earn with Rewards

The Geyen Team will dedicate buybacks with our generated treasury funds to increase the price of the token for all investors.

Safe and Secure

The Genyen team is secured through a Gnosis multi-signature wallet to ensure that confirmations and management of funding is done transparently and securely.

OUR GOAL?

The goal of \$GENYEN is to multiply capital by utilizing our teams deep roots in networking, traditional investment, and the IDO-sphere to provide value to our token and allow everyone to sustainably win. gain. earn.

TOKENOMICS BREAKDOWN

This is how Genyen will use the taxes collected on buy (15%) and sell (15%) to fund the development of our ecosystem and ensure the longevity of our model.
