

AVL ProPresenter Checklist 2

Step By Step

The why: Lyrics on the screen bring people into the worship, and the cameras help bring Jesus into the living rooms of hundreds and thousands of people thru church online. We're going thru the roof.

- Turn TVs on
- Plug in computer cords (3 cords)
- Turn on computer and sign in (password: GloryBell2019)
- Check lyrics and scriptures are put it
- Make sure lyrics are broke up properly
- Check videos, lyrics and scriptures are going to the feed

*If something isn't working, turn off ProPresenter, unplug and replug in the cords, then start ProPersenter again.
