

AVL Camera Operations

Step By Step

The why: Lyrics on the screen bring people into the worship, and the cameras help bring Jesus into the living rooms of hundreds and thousands of people thru church online. We're going thru the roof.

Steps:

- Get camera from closet and take lines cap off
- Camera 2 needs a battery, put extra battery on the charger
- Connect cord and power source to cameras
- Check that the feed is going through to the system
- Check lighting, change gain and iris if lighting is off
