

### THIS WORKSHOP WILL COVER:

The workshop will provide adult learners with enough knowledge and skills to confidently make responsible financial decisions. It will help you to carefully consider your financial choices. It can apply to everyday decisions, from buying groceries to more considerable investments, like paying for tuition or a car. In this workshop, you will gain an understanding of essential money management, and staying financially healthy throughout life. This workshop will also help in developing budgeting skills using different digital tools like apps and spreadsheets.

# 4 Day Workshop | Cost: FREE! (Restricted to Peel Residents)
